

Valais Blacknose Australia Ltd CODE OF ETHICAL CONDUCT

The Valais Blacknose Australia Ltd Code of Ethical Conduct presents a set of standards designed as the minimum expected conduct by members to ensure commitment to the purposes of the company. These standards are required to be upheld in the usual course of conducting activities that may associate the member with the company.

As a member of Valais Blacknose Australia Ltd, I hereby agree that:

1. I will adhere to the laws and regulations associated with the breeding and management of sheep in Australia, including ensuring all animals are identified by unique NLIS approved identification tags.
2. I will maintain practices in keeping with the Valais Blacknose Australia Ltd Regulations, including the accurate provision of parentage of registered animals.
3. I will ensure accurate documentation of stock information and act promptly where changes to the registry are required; only accurate information will be supplied to the registry.
4. I will conduct my stud business in a manner as not to bring disrepute to Valais Blacknose Australia Ltd.
5. I will promote the Valais Blacknose breed, representing true, honest and accurate information to other members and the public.
6. I will act to support and educate other members and the public with accurate information.
7. I will relate and communicate with other members of Valais Blacknose Australia Ltd in a professional manner and at all times treat others with respect.
8. I will act at all times in a manner that promotes Valais Blacknose Australia Ltd in a positive light.

Membership to the Valais Blacknose Australia Ltd requires acceptance and ongoing support of these basic ethical standards for conduct.
