Accident Prevention: Motion-Activated Lights

Like all modern cruise ships, the Majestic Princess is equipped with a motion-activated lighting system in all guest staterooms. This innovative feature automatically turns on the light when it detects movement, eliminating the need to fumble for a switch in the dark. It is particularly useful for late-night bathroom visits or navigating unfamiliar spaces. The motion sensor light enhances safety by illuminating the room instantly, which helps to reduce the risk of accidents or falls. This small feature promotes peace of mind, offering guests a safer and more comfortable stay.

Service Dog Onboard

Please be aware that we have a working service dog on this sailing. A service dog is specially trained to mitigate a disability. Please do not pet, feed or play with the working dog.

Need to Know!

Complete your Safety Essentials

- Watch the safety video in the app or on your stateroom TV.
- Visit your Assembly Station as soon as possible before 03:00pm.
- Listen to the Captain's safety briefing during his broadcast before sailing.

Safety in the Stateroom

For your safety, guests are reminded of the following:

- For safety reasons and to protect and preserve the marine environment, no towels/clothing or any other personal belongings are to be left on the balcony when the cabin occupants are not present.
- Do not throw lit cigarettes (or butts), cigars or matches over the ship's side as these may be drawn into the ship and cause a fire.
- Use ashtrays provided in designated smoking areas throughout the ship to properly extinguish cigarettes. Smoking in your stateroom or stateroom balconies is strictly prohibited.
- Do not throw or allow anything to go overboard. Our environmental goal is to protect the environment and keep plastics and other items from polluting the oceans.
- It is unlawful to feed any wildlife from your stateroom, including birds.
- Do not hang or drape anything over the lighting fixtures or sprinkler heads in your stateroom and on your balcony.
- Refrain from using any coffee pots, irons, water heaters, rice cookers and similar items. (The full list of prohibited items can be found on princess.com).
- The use of candles or other items with open flames are not permitted.
- If you discover a fire, immediately raise the alarm by activating one of the red manual fire alarm call points, located throughout the ship.
