Safety Tips

When traveling in Mahahual (Costa Maya), safety tips include: Be highly aware of your surroundings, avoiding isolated areas, not displaying signs of wealth, avoid walking alone at night, keeping valuables out of sight, using caution in public transportation, and being particularly vigilant in crowded areas or near ATMs; it's also recommended to travel in groups and to be cautious about accepting food or drinks from strangers. Be cautious about proposals from strangers that take you away from public areas. One common scam involves a passerby "accidentally" spilling something on you before offering to clean it up. Avoid wearing expensive jewelry and watches.

Gangway Alcohol Collection

Alcoholic beverages that are purchased at ports of call or duty-free from The Shops of Princess will be collected for safekeeping and delivered to the guest's stateroom on the last day of the cruise. A member of the ship's staff will be at the gangway to assist guests with the storage of their shoreside alcoholic purchases while our retail staff will assist guests with shipboard alcoholic purchases.

**Princess is not responsible for any alcoholic beverages confiscated by shoreside security staff. Such items are not eligible for monetary refund or replacement.*

Agricultural Notice

Local authority rules stipulate that no food, no flowers, no seeds or beverage products except water are to be taken off the ship in port to avoid a fine. Please consume these items onboard before proceeding ashore.

Ship's Security Notice

To prevent unauthorized persons boarding the ship, you are required to carry your "Medallion" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Please ensure that you also have a valid government issued photo ID with you before leaving the ship, as you may be required to show this at security checkpoints upon your return. Be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your "Medallion" when entering this area, in addition to showing it to the security staff at the gangway when exiting or boarding the ship. We kindly ask you not to accept and bring onboard any parcels or packages from strangers. Before boarding the ship, you may also be asked by our Security Staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that these security measures are in the best interest of all concerned.

It's Smart Casual Night

For our dining venues, dress like you would to go out for a special dinner. For women-skirts, dresses, slacks, sweaters. For men-pants and collared or dress shirts.
