One Nation Under God

“This is a nation that boldly proclaims her trust in God. We are sustained in the present and assured of the future by the proof of the past. God has blessed America; God does watch over His children; God will lead His people. We hold to this truth. There is a sweet land of eternal liberty yet to come...a homeland that will never be corrupted or diminished by hatred and fear. It is a Promised Land made possible by a just and gracious God, the one true God: the God of all that was, the God of all that is, the God of all that will be. Great is His love; great is His care; great is His faithfulness.”Unknown
