

Gather to Color: Hosting & Affiliate Guide

What is a Gather to Color Host?

Gather to Color Hosts bring people together through themed coloring events. Hosts choose a theme, gather supplies, invite guests, and create a welcoming environment where people can relax, connect, and enjoy a creative experience.

How Hosts Earn Income

Hosts can earn income by organizing events, charging event fees, offering personalized coloring experiences, and recommending books and supplies through affiliate links.

How Affiliate Links Work

Approved hosts receive a unique referral link. When guests purchase recommended books, supplies, or event resources through that referral link, the host receives a commission according to the affiliate program.
