## Welcome West Slope Neighbor!

The West Slope Neighborhood Coalition (WSNC) is a volunteer organization of residents that work together to improve the quality of life in the West Slope area.

For nearly 40 years, the WSNC has engaged with community members and government officials to address local issues and advocate for the West Slope. Historical focus areas have included:

- View preservation and foliage trimming
- Safety through our crime and suspicious activity alerts
- Emergency preparedness for local disasters
- Champion enhancements for 19<sup>th</sup> Street & Titlow Rail Crossing
- Representation on Titlow Park Master Plan development
- Collaborating with Tacoma's City Council and staff

In the past, the WSNC has initiated a major Local Improvement District to bury/underground power lines. The WSNC has also led the 20' View Sensitive Overlay effort and hosted informational meetings at Titlow Lodge.

The WSNC has monthly, open board meetings where community input and participation is most welcomed. Additionally, a General Membership meeting is hosted every fall for our famous *Oktoberfest*, a "can't-miss" potluck with many guest speakers.

WSNC membership dues are only \$25/year which goes to support our website, meetings, newsletters, postage, and notice of special events.

Please see more info at: <http://www.westslopeWSNC.com>

We enjoy the spectacular views of Puget Sound, the Olympic Mountains, and the Narrows Bridges. And we hope to work with you to maintain the West Slope as one of the best neighborhoods in Tacoma.

**Please consider joining the West Slope Neighborhood Coalition!**
