For veterinary use only

210ml

مارلي
بخاخ أوكسي تتراسيكلين

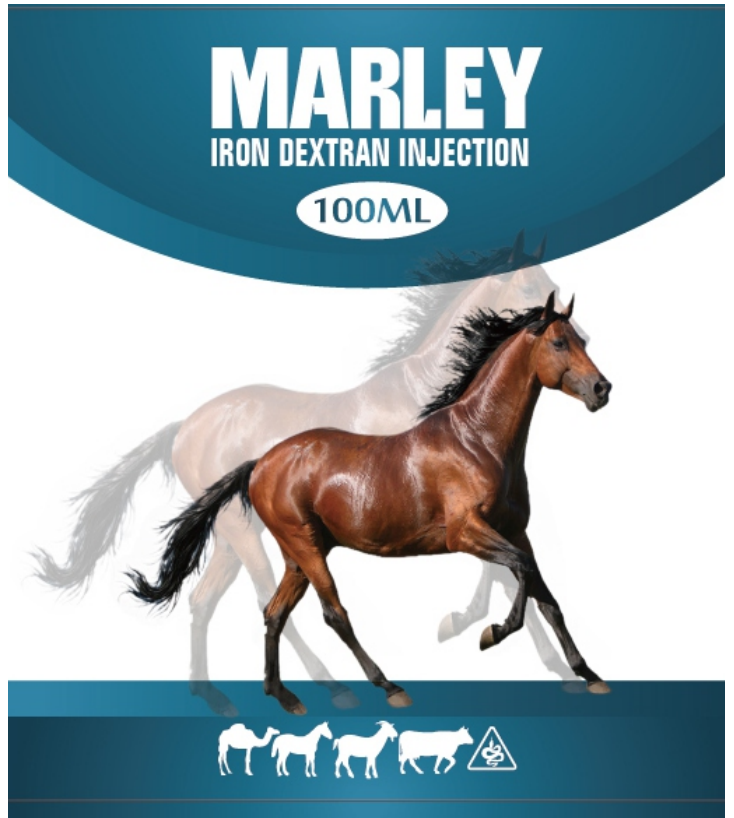

The packaging features a blue header with the product name and concentration. Below the header, there are two circular images: one showing a cow's legs and another showing a horse's mouth. The bottom half of the box is yellow and contains the Arabic name of the product. A vertical strip of animal silhouettes is on the left side.

MARLEY
Oxytetracycline Bolus 500MG

50 bolus

The packaging is primarily yellow with a red border. It features a large illustration of a cow's internal organs, specifically the stomach and intestines, in a reddish-brown color. Below this, there is a small strip of five images showing different types of boluses. At the bottom, there is a red banner with white silhouettes of various animals and a warning symbol.

MARLEY
IRON DEXTRAN INJECTION

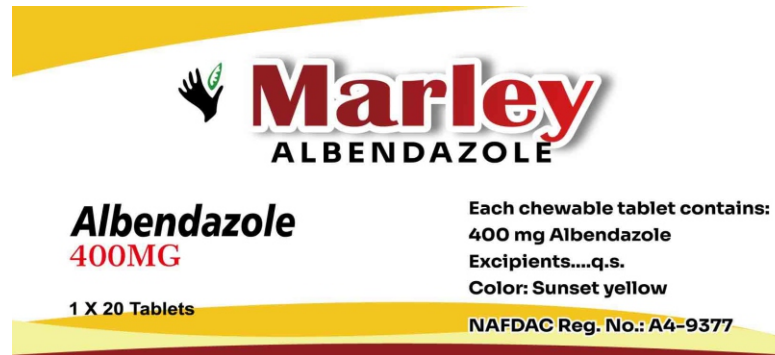

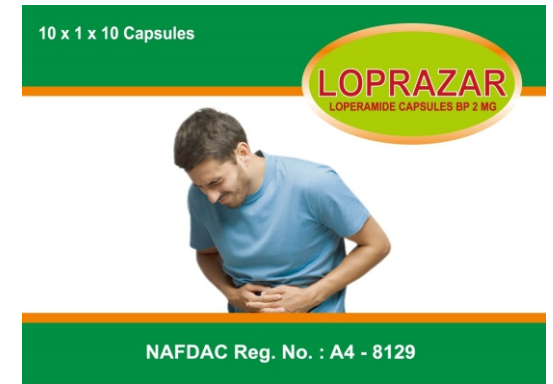

100ML

The packaging is blue with a white horse running in the center. Below the horse, there is a white banner with silhouettes of various animals and a warning symbol. The text is in white and black.
