

# SOCIAL SECURITY EDPNA COURSE

This comprehensive course is meticulously designed to prepare aspiring non-attorney representatives for the demanding Eligible for Direct Pay Non-Attorney (EDPNA) Examination administered by the Social Security Administration (SSA). Becoming an EDPNA allows qualified non-attorney representatives to receive direct payment of authorized fees for representing claimants throughout the Social Security disability adjudicatory process (Titles II and XVI of the Social Security Act). Our program provides an in-depth understanding of the complex rules, regulations, and procedures governing Social Security disability claims, alongside ethical considerations vital for effective and compliant representation.
