

CHANGE CANNOT HAPPEN
WITHOUT COLLECTIVE
ACTION. ORGANIZATION
AMONG THE PEOPLE IS
CRUCIAL, DESPITE WHAT
THOSE IN POWER WANT
YOU TO BELIEVE.
REMEMBER THAT ANYONE
CAN MAKE CHANGE, NO
MATTER HOW SMALL.

5 METHODS OF ACTIVISM
YOU CAN PARTAKE IN

PROTESTING
Protesting on a
weekday will be more
effective, as this will
disrupt the economy,
and lawmakers will be
in their offices.

**SPEAK TO YOUR
REPRESENTATIVES**
This could be by
writing a letter or
setting up a phone
call. A letter will be
more impactful than a
phone call, because a
letter takes more
effort and is more
personal.

**SPEAK OUT
ONLINE**
Either by blogging,
created art, or
posting reels. Be sure
to be polite
in your
messaging,
as people
will be more
likely to
change their minds.

VOLUNTEER
Volunteering for a
local grassroots
organization or a
political candidate
provides countless
opportunities to
make a positive
change in your
community.
