The Truth about Jesus

If you could choose one historical figure to walk alongside and receive personal tutoring from, who would it be? Abraham Lincoln? George Washington? Mahatma Gandhi? Mother Teresa? Nelson Mandela? Winston Churchill? The list could go on.

Yet, one individual stands far above them all—someone who is the most famous, recognizable, and influential person in human history. Someone who has changed and continues to change more lives than all the others combined.

Since His first public appearance, Jesus Christ has been either worshipped or hated by billions. He came with a clear, simple,

straightforward message, but because He spoke in parables, few truly understood Him, and many misunderstood Him. This was true then, and it remains true today.

But why did He speak in such a manner, and why is He so often misunderstood? Do you understand Jesus? If not, isn't it time you did? Now, you can. The Truth about Jesus: Unfiltered and Uncensored delves deep into Jesus's mission and explains His every word in terms so simple that even a child can understand—without preaching or religious jargon.

It's that simple. Don't complicate it. So, if you're ready for the education of your life, read on. But beware, because what you're about to read is the Truth. What you do with it is up to you.

**“Whoever has ears, let them hear.”
