Heaven Is A Place On Earth

Alto: Ooh, baby, do you know what that's worth?
A/S: Ooh, Heaven is a place on Earth
All: They say in Heaven love comes first
We'll make Heaven a place on Earth
Ooh, Heaven is a place on Earth

All: When the night falls down
I wait for you, and you come around
And the world's alive
With the sound of kids on the street outside

Alto: When you walk into the room
You pull me close, and we start to move
And we're spinnin' with the stars above
And you lift me up in a wave of love

I reach for you, and you bring me home
When I'm lost at sea
I hear your voice, and it carries me

Alto: In this world, we're just beginnin'
To understand the miracle of livin'
Baby, I was afraid before
But I'm not afraid anymore
