

Nothing Else Matters

Solo: So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
And nothing else matters

|-----------------------------------|-----------------------------------|
| Never opened myself this way | (T/B) Oooh, Self this way |
| Life is ours, we live it our way | We live it our way |
| All these words, I don't just say | All these words, I don't just say |
| And nothing else matters | And nothing else matters |

| | |
|------------------------------------|------------------------|
| A/S Trust I seek and I find in you | T/B Ooooh, find in you |
| Every day for us something new | Something new |
| Open mind for a different view | Ooh, different view |
| All: And nothing else matters | |

All: Never cared for what they do
Never cared for what they know
But I know

| | |
|----------------------------------|----------------------|
| A/S: So close, no matter how far | T/B: Never too far |
| It couldn't be much more | (All) from the heart |
| A/S Forever trusting who we are | T/B Not who we are |
| All: And nothing else matters | |

All: Never cared for what they say
Never cared for games they play
Never cared for what they do
Never cared for what they know, and I know

Solo: So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
No, nothing else matters
