

## Make You Feel My Love

All: When the rain is blowing in your face  
And the whole world is on your case  
I could offer you a warm embrace  
To make you feel my love

Alto: When the evening shadows and the stars appear (S/T/B):Ooooooooooh  
And there is no one there to dry your tears Ooooooooooh  
I could hold you for a million years Ooooooooooh  
To make you feel my love To make you feel my love

All: I know you haven't made your mind up yet  
But I will never do you wrong  
I've known it from the moment that we met  
No doubt in my mind where you belong

Alto: I'd go hungry, I'd go black and blue (S/T/B):Ooooooooooh  
I'd go crawling down the avenue Ooooooooooh  
No, there's nothing that I wouldn't do Ooooooooooh  
To make you feel my love To make you feel my love

All: Ooooooooooh  
Ooooooooooh  
Ooooooooooh  
To make you feel my love

All: The storms are raging on the rolling sea  
And on the highway of regret  
The winds of change are blowing wild and free  
You ain't seen nothing like me yet

Alto: I could make you happy, make your dreams come true (S/T/B):Ooooooooooh  
Nothing that I wouldn't do Ooooooooooh  
Go to the ends of the Earth for you Ooooooooooh  
To make you feel my love To make you feel my love  
To make you feel my love To make you feel my love
