Oasis Trio

So Sally can wait

She knows it's too late

As she's walking on by

Her soul slides away

But don't look back in anger

I heard you say

Today

Is gonna be the day

That they're gonna throw it back to you

By now

You should have somehow

Realise what you've got to do

Whatever you say

Whatever you do

Yeah I know it's alright

Whatever you say

Whatever you do

Yeah I know it's alright
