Impacting One Child at a Time

feel safe

The year 2025 closes with a venture well accomplished. You partnered with the Five Seeds Charity and YOGA 72/76 set to raise funds for Nigerian children and families in dire need. Providing school fees, scholarship awards, food, housing, baby supplies. We know we are unable help everyone in need. But the handful we are supporting, their lives are changed.

“ It does not matter how small, what matters is that we do because a little goes a long way. My mother and faith have taught me, go the extra mile, give your widows might, the Lord is the one who multiplies”

The year in review

EARLY IN 2025, A SIMPLE WHATSAPP AND INSTAGRAM MESSAGE TO FAMILY AND FRIENDS SPARKED A WAVE OF GENEROSITY. WHAT BEGAN AS A CALL FOR SUPPORT GREW INTO A MOVEMENT THAT RAISED A GRAND TOTAL OF **₦3,111,208 (£1,620)**.

Importantly, all funds raised were used exclusively for charitable impact. My travel to Nigeria was self-funded, ensuring that every naira and pound donated went directly to the mission.

Together with my mother — an Executive Officer of the Yejide Old Girls Association 72/76 Set and Co-Founder of the Five Seeds Charity — we put our feet on the ground in Nigeria to see the work firsthand.

- ✨ At Yejide Grammar School for Girls, we celebrated the scholarship ceremony, watching hope light up young faces.
- ✨ At Shekina School, we met the mother and headteacher of the Augustine family, ensuring their children's education continued.
- ✨ In the bustling market, we priced food with support, preparing to deliver nourishment where it was most needed.
- ✨ At St Stephen's Orphanage, we sat with teenage children, listened to their stories, and delivered food that spoke of care and dignity.

Beyond these planned efforts, we responded to urgent needs:

- Providing baby milk and medicine for a malnourished infant.
- Handing out ₦10,000 each to seven people on the street (a total of ₦70,000) offering immediate relief and kindness.

🙏 A Year of Gratitude

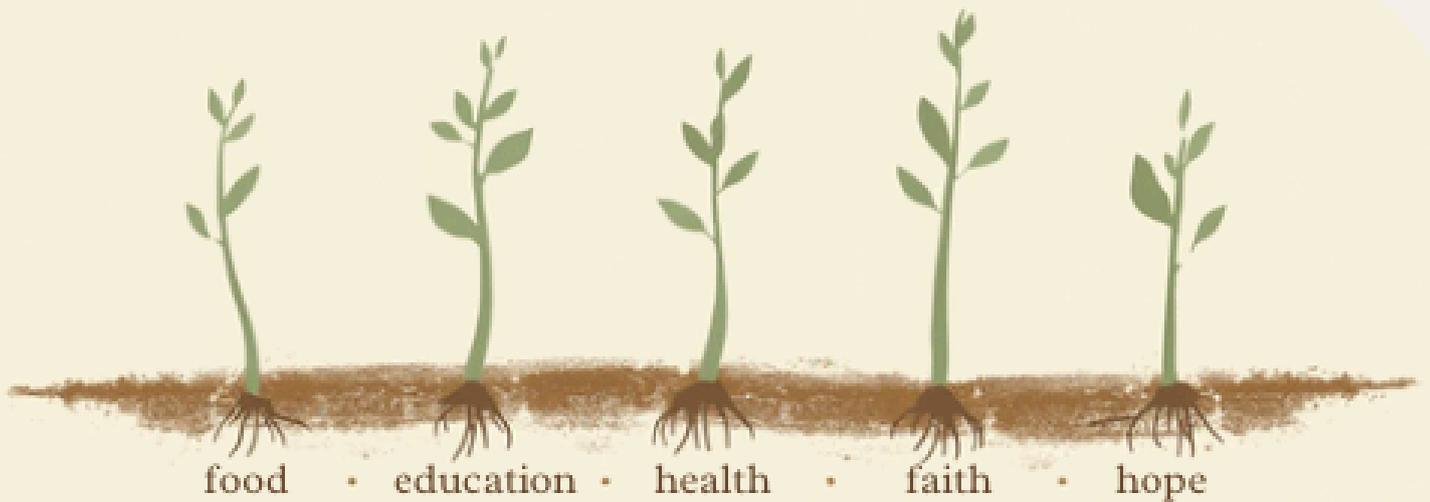

We thank God for the strength and provision to accomplish so much. Every pound and every naira became a seed of hope — planted in classrooms, orphanages, homes, and hearts. 

This year proved that when compassion meets action, lives are transformed. And this is only the beginning.
