

## DEATH

Most people do not wish to discuss or write about death. God created the Garden of Eden for man and woman to live forever peacefully and He would provide all needs. Man and woman disobeyed God when they believed Satan by eating of the tree of knowledge. Now they knew good and evil. As a result of disobedience God placed a curse on mankind, death.

Mankind will face physical death until Christ returns. Those whom know Christ as their Savior will inherit Spiritual Life. At death their souls will go to Heaven, mind and body will return to dust. They will be Judged at the Judgement Seat of Christ, not for sins but for their rewards. ( what did one do for Christ while on earth). After the Tribulation they will take on a new body, mind and name to be joined with the soul.

Those whom do not accept Christ as their Savior will suffer a second death as they will be Judged at The Great Thrown of Judgement for their blasphemy against the Holy Ghost, an unpardonable sin. Their punishment, to be cast into Hades, called the second death.

Until I accepted Christ as my Savior, I would wake up at night shivering as I was afraid of death, not understanding some day I would not breath. Since I accepted Christ at age twenty -eight, I've not had the same fear.
