

Albulys™ Rich Oral Albumin Formula Feed

Strength, Recovery & Vitality

Product Overview

Albulys™ Powder is a premium egg albumen-based oral nutrition supplement designed to deliver high biological value protein for muscle strength, repair, and recovery.

It is enriched with CaHMB, BCAAs, L-Glutamine, L-Glutathione, L-Arginine, DHA, antioxidants, pre & probiotics, and 25+ essential vitamins and minerals to support muscle health, immunity, gut health, and overall wellness.

With 67 g protein per 100 g, natural sweetening from Monk Fruit, and a smooth Creamy Vanilla flavour, Albulys is ideal for individuals with increased protein requirements.

Key Benefits

- High-quality egg albumen protein supports muscle strength, repair, and recovery
- Enriched with CaHMB helps reduce muscle breakdown and promotes faster recovery
- L-Glutamine & L-Arginine support endurance, immunity, and tissue repair
- Includes DHA & antioxidants to support brain, heart, and cellular health
- Prebiotic Actazin® (Kiwi fruit), FOS & Inulin improve digestion and nutrient absorption
- 25+ vitamins & minerals aid vitality, strength, and immune function
- Fat-free, cholesterol-free & naturally sweetened with Monk Fruit for clean daily nutrition
- Gluten-free & lactose-free
