

Protelys XP Protein Powder

Extra Protein Support for Faster Recovery

Product Overview

Protelys-XP Powder is an advanced high-protein nutritional supplement formulated to support faster recovery, muscle repair, strength, and overall wellness. It contains a premium blend of whey protein concentrate and hydrolysate, enriched with BCAAs, HMB, fiber, MCTs, pre & probiotics, and 25+ essential vitamins and minerals.

Designed for increased protein needs during recovery, physical stress, pregnancy, and lactation, Protelys-XP delivers complete nutritional support in a delicious Kesar Elaichi flavour.

Key Benefits

- Advanced protein blend supports faster recovery and muscle repair
- Whey Protein Concentrate & Hydrolysate provide high-quality protein for strength and endurance
- HMB (β -Hydroxymethylbutyrate) helps reduce muscle breakdown and improves recovery
- BCAAs support muscle growth, repair, and energy metabolism
- Prebiotics & Probiotics improve gut health, digestion, and nutrient absorption
- MCTs (Medium Chain Triglycerides) and dietary fiber provide sustained energy and digestive support
- 25+ Vitamins & Minerals with Colostrum and Inositol help boost immunity, vitality, and overall wellness
- No added sugar and zero trans-fat

Key Features

- Provides 55 g protein per 100 g
- Enriched with BCAAs, HMB, Fiber & MCT
- Contains Pre & Probiotics
- Fortified with 25 Vitamins & Minerals
