

# Financial Summary 2021–2022

## Financial Transparency

This summary is based on the official financial information submitted to the German tax authorities for the fiscal years 2021–2022. It is intended to help international visitors understand the Association's finances.

## Financial Overview

2021: Income €170 | Expenses €68 | Annual surplus €102

2022: Income €1,027 | Expenses €633 | Annual surplus €394

## Key Highlights

- Financed primarily through membership fees.
- No commercial activities.
- No remuneration paid to board members or volunteers.
- Very low administrative costs.
- Positive annual results strengthened the Association's financial foundation.

## Our Commitment

Every donation is used responsibly and exclusively for our charitable purposes. The original German tax documents remain the legally relevant records.
