

❖❖ The Creator's Atelier

# Buy a Book / Share Book Program

# Serving Through Love, Learning, and Sharing

This space exists to gently support children, families, and educators through love, knowledge, and service. Below you will find two simple ways we live this mission—through reading, presence, and care for one another.

## Buy a Book / Give a Book

This pathway allows your support to become something tangible in a child's hands—a book filled with warmth, imagination, and learning. When you choose to buy a book or give a book, you are helping extend access to gentle, educational stories for children and families who may not otherwise have them.

Donations connected to this program are made through our PayPal donation button. Every contribution is used with care and intention to support reading, learning, and quiet moments of connection.

## How We Support Families Through Reading

Supporting families through reading is about more than books—it is about presence. Much like a movie night or game night, this approach invites us to step gently beyond our comfort zones and share time together in a meaningful way.

These moments may include visiting families who welcome companionship, reading together, learning side by side, and sharing conversations rooted in kindness, education, and our Creator's love for all. The focus is not teaching, but walking together listening, learning, and encouraging one another.

Whether through sharing a book or sharing time, each small act becomes part of a greater circle of care. Thank you for being part of this gentle work.
