Allianz Health Insurance offers you

All medical specialisation areas

Extensive authorised service provider network with renowned specialists. It includes psychology, podiatry, gynaecology and traumatology, among many others.

Medical emergencies and 24-hour nursing care

Instead of having to travel to a medical centre, you can receive prompt medical assistance at your home from a qualified professional who will evaluate your condition and offer the most suitable treatment.

The latest medical and technological innovations

Allianz's team of professionals constantly updates the coverage to ensure you have access to the most advanced techniques at all times.

Surgical intervention, treatments and prosthesis

Surgical interventions in the best medical centres with the top healthcare specialists.

Hospitalisation

Enjoy the peace of mind of having a single room with a bed for a companion.

Family planning

Pregnancy and childbirth: pregnancy monitoring (visits, ultrasounds, tests), delivery assistance with comprehensive care for the newborn, obstetrician services, preparation for childbirth, infertility diagnosis and other pregnancy care provided.

Travel assistance

Travel assistance is provided in the event medical services are required. This could be in the case of an accident, acute illness or chronic illness that requires immediate medical treatment.

Dental coverage

Included in the policy at no additional cost with 78 complimentary treatments and others at special prices.

Digital health

Use the Allianz Salud APP to connect with dedicated healthcare professionals through 24/7 chat and video consultation services, so that you can swiftly address your healthcare concerns at your

Health and well being

Extensive authorised service provider directory, in collaboration with the best clinics and more than 25,000 professionals with offers and discounts on all services.

Assistance at all times
