

ORANGE COUNTY GOVERNMENT

Board of Commissioners

To Whom It May Concern,

The Orange County Board of Commissioners is pleased to offer our strong recommendation for Dr. Brandy Terrell. Dr. Terrell has been an outstanding partner to Orange County Government and has demonstrated exceptional leadership, integrity, and dedication to improving the health and well-being of our community.

Through her work with Orange County, Dr. Terrell has consistently shown the ability to lead collaborative efforts and bring diverse stakeholders together to address complex issues. Most notably, she chaired the committee responsible for the distribution of our county's opioid settlement grant funds. In that role, she provided thoughtful leadership, ensured transparency and accountability in the process, and helped guide strategic decisions that will have a lasting impact on addressing substance use challenges in our community.

Dr. Terrell is an exceptional strategic problem solver. She approaches challenges with a solutions-focused mindset, carefully analyzing issues while also understanding the real-life impact on the people and families we serve. Her leadership has helped ensure that grant resources are directed toward programs and initiatives that create meaningful, measurable results.

Beyond her professional expertise, Dr. Terrell is a trusted community partner. She works collaboratively with local government, healthcare providers, and community organizations to strengthen services and build long-term solutions. Her integrity, professionalism, and commitment to service make her an invaluable asset to Orange County.

The Orange County Board of Commissioners strongly recommends Dr. Brandy Terrell without reservation. We are grateful for her leadership and partnership and are confident that she will continue to make a positive and lasting difference wherever she serves.

Sincerely,

Orange County Board of Commissioners
