Five Jyotirlingas across Maharashtra & Madhya Pradesh, in the month of Shiva

5 Days / 4 Nights • Ex-Mumbai • By Road

TRIP OVERVIEW

A Shravan yatra built for the devout — five Jyotirlingas in a single road pilgrimage from Mumbai, from the forest shrine of Bhimashankar and the source of the Godavari at Trimbakeshwar, through Grishneshwar beside the Ellora caves, up into Madhya Pradesh for Omkareshwar on its island in the Narmada, and finally Mahakaleshwar at Ujjain, one of the most powerful shrines in the land.
