## Permit not disasters to happen any more in the existing decade -- Modi

### WHO declares 'Ebola' outbreak in DR Congo, Uganda

Commissioner News Service Geneva/Brazzaville/Kampala : The world facing series of catastrophic challenges, might metamorphose into gloomy decade, and could undo the hard laboured success of past decade. Such fusillades could push a large section of global population into poverty if not timely addressed in right perspective, orientated PM Modi the Indian diaspora in the Hague capital of Netherland. We are witnessing how the world is struggling with new challenges in one scourge, after the other added Mr Modi. First was the pandemic, then

followed by clamorous war began to erupt and now the world is facing an energy crisis and the cataclysmic hatred. This unfortunate course has been increasingly stemming disasters for the world. "Now here in our country the silver bars containing 99 ? or more of the metal as well other silver bars have fallen into the restricted category which means imports will only be allowed after a licence is issued by the government agency" said the Director General of the Foreign Trade. The progressive move has been initiated primarily to monitor specific import lines.

Triangular development cooperation agreement with the Norway would emerge to be contributing to human development in countries of the Global South through India's Digital Public Infra structure projects. The ties of green strategic partnership, signed deals for cooperation in outer space and technology, garners optimism of well balanced perception. No conflict can be resolved through military attacks. Norwegian Prime Minister Jonas Gahr Store advocated for both countries to stand up against those who weaponise, diplomacy, trade, and technology. The strategic partnership for green transition will help the world.

From clean energy to climate resilience and from blue economy to green shipping --- by combining India's scale, speed and talent with Norway's technology and capital. The government is vigorously planning with advanced, prosperous countries to liaise for mobility , green hydrogen and defence cooperation. An emphasis on freedom of navigation and global flow of commerce through "Strait of Hormuz" while opposing any restrictive measure and reaffirmed overwhelming support for ongoing efforts. The other day, in Sweden, Prime Minister Modi on

Sunday addressed European roundtable attended by European chief Ursula von der Leyen, Modi said India and Sweden are connected by shared values of democracy, transparency, innovation and sustainability which provides a foundation for an ambitious and forward looking economic partnership. Mr Modi interpreted " We consider innovation to be the medium of development... sustainability to be our responsibility. And we consider democracy to be our strength, said the Prime Minister. The World Health Organization (WHO) has declared an Ebola outbreak

in the Democratic Republic of the Congo (DRC) and Uganda a "public health emergency of international concern" after more than 300 suspected cases and 88 deaths were reported. On a social media post, Director-General Tedros Adhanom Ghebreyesus, on Sunday said the outbreak does not meet the criteria for a pandemic emergency but that neighbouring countries are at high risk of further spread. The health authorities have confirmed the current outbreak is caused by the Bundibugyo virus disease (BVD), a rare type of Ebola disease that has no approved

therapeutics or vaccines. Although more than 20 Ebola outbreaks have taken place in the DRC and Uganda, this is only the third time BVD has been reported. The outbreak could be much larger, given the high positivity rate of the initial samples and the increasing number of suspected cases being reported...said the official of WHO. The Democratic Republic of the Congo (DRC) accounts for all except two of the cases, both of which were reported in neighbouring Uganda.

### Not autocracy, but democracy prevailed in Kerala with Satheesan as CM

Commissioner News Service New Delhi: The Congress on Thursday chose Leader of Opposition in the last Assembly, V. D. Satheesan over his principal contender, All India Congress Committee general secretary (organisation) K. C. Venugopal due to democratically voices clamouring for their rights. First, six-term MLA Satheesan had spearheaded the Congress-led UDF's poll campaign and enjoyed popular support. He had declared that if the UDF failed to win less than 100 of Kerala's 140 seats, he would "quit politics and go into exile". The alliance eventually crossed that mark, winning 102 seats, with the Congress emerging as the single largest party with 63 seats. As LoP in the Assembly, he was the principal opposition voice against the previous Pinarayi Vijayan-led government. While

Venugopal enjoyed proximity with Rahul Gandhi, it was Satheesan who had laid the groundwork in Kerala for the UDF's return to power after 10 years. Congress' grassroots workers were out on the roads in protest in Kerala over the possibility of Venugopal becoming the CM. Sensing the public sentiment, the Congress leadership opted for Satheesan. Second, Satheesan had the backing of key UDF constituents, including the Indian Union Muslim League (IUMML) with 22

MLA. Kerala Congress (Joseph) with seven MLAs and the Revolutionary Socialist Party with 3 MLAs. They had gone public supporting Satheesan for CM. Therefore, for the Congress leadership, choosing Satheesan was crucial for alliance management, as ignoring the preference of key UDF partners could have created friction within the coalition at the very start of the tenure. Third, although K. C. Venugopal has won three Assembly and three Lok Sabha elections from Kerala, he has come to be largely seen as 'Delhi's man' over the past decade or so, because of his proximity to Rahul Gandhi. He has been an AICC general secretary since 2017, largely involved in national politics. In fact, he did not contest the 2019 Lok Sabha election and became a Rajya Sabha member from Rajasthan the next year.

### Liquor policy & contempt case not to be heard by Justice Swarana Kanta Sharma : CJI

Commissioner News Service New Delhi : Two cases, one pertaining to criminal contempt proceedings against Arvind Kejriwal , and another CBI revision Delhi Excise Policy will not be heard by Justice Swarana Kanta Sharma of Delhi High Court. Justice Manoj Jain is likely to take up CBI plea on excise policy as Justice had said she was transferring the CBI urge to another bench to escape charge of bias on her head. On Monday, the HC Website showed both cases re assigned by the Chief Justice. Justice Jain will examine the CBI's challenge to the discharge of Kejriwal and other

accused in the case and about the alleged irregularities in the formulation and implementation of the excise policy..The other criminal proceedings, would examine " coordinated social media campaign to scandalise the judiciary in connection with excise policy execution.

### 3 modern "HUTS " dedicated to Ward No. 23 in Sector 35 by area Councillor

Commissioner News Service Chandigarh : Two hundred new benches were installed in park of ward no 23 in Sector 35, which further accelerated the development work. Three newly constructed attractive huts (gazebos) in various parks of Sector 35 were dedicated to the local residents on Saturday. Another three modern gazebos (huts) have been constructed in the major parks of Sector 35—the park near the Sampark Centre, the park near the 35-D Market, and

the BBMB Park. Comfortable benches have also been arranged inside these huts, which will now provide relief to the elderly, women, and children from harsh weather conditions, allowing them to spend peaceful moments in the parks. A large number of ward residents passionately participated in the inauguration ceremony and appreciated the development work. SDO Kirandeep and JE Rajinder Singh of municipal corpora-

tion were present as special guests during the event. Dignitaries and prominent residents of the area—including Messrs. Sewa Singh, S.S. Tung, Vikram Chopra, Rajesh Rai, Lokesh Chopra, Raj Arora, along with Smt. Anita, Meenu, Usha, Alaaeph, Nirmal, Parveen, Jasroop Tuli, Manjeet, and other leading residents—attended the program and welcomed this public welfare initiative by Ms Prem Lata the area councillor.

### MAA ka bharosa, Pyar se parosa 'Patanjali' dominate other marketed brands

Commissioner News Service P'kula: Patanjali cow sudhesi ghee has gained popularity on account of its fragrant quality , purity and economic rates in tricity markets claimed PK Rao Marketing Manager. He adds saying this pure cow ghee is preferred by those who prioritise natural and organic options. During 2024, the claim of high purity was made in August 2025, sample BKD 2458 was taken for purity test and won clientele applause and wide acceptance. For the quality emergence conventional ayurvedic Bolana procedure is adopted by the dairy engineers. Cow pure milk is manufactured from white but-

ter/curd. The quantum of cow milk is put on mild flame specific span of time until it got melted for ghee . It is widely claimed that cow milk is scared substance, often used in religious rituals besides Aurvedic treatments .

Cow ghee must be used before 9 months from date . Milk fat is inherently expensive . Its current exdairy price of Rs 460, -- 470 / is way above Rs 125 - 130, wholesale range for refined palmolien , soyabean or sunflower.

### No legislative need for including CJI to pick for CEC selection

Commissioner News Service New Delhi : In the appointment panel for the Chief Election Commissioner and the Election Commissioners, the Centre has apprised the Apex Court that the constitution doesn't mandate judicial representation in appointing committee meant for pick of Election Commissioner. It may be underlined a 5 - judge SC bench in 2023 had ruled that a stop gap mechanism , appointments should be made by a panel comprising the PM, the CJI and the leader of opposition until a law was framed. The law in the pursuit was framed but sans the inclusion of CJI, which is now under the challenge in the Apex court. Since the parliament enacted the CEC and other election commissioners (Appointment , Conditions of Service and term of office) act, under which the appointment committee comprises the PM, a cabinet minister and the LoP. The govt countered the peti-

tioner's argument that the EC's independence would be compromised by replacing the CJI with a cabinet minister. Lack of institutional independence and exclusive executive authority in the appointment was hypothetical as such both were functioning cohesively with voluminous integrity. It would be inappropriate ,legally unsustainable and premises on a fundamental fallacy and frivolous . The law framed in 2023 emerged to be "significant improvement" over the earlier system, as it provides a" more democratic collaborative and inclusive process for appointing election commissioners, in line with the spirits of Article 324 (2) of the Constitution.

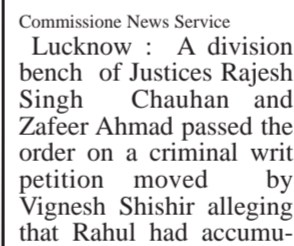

### Work with diplomacy, military solution may not be best, directs on Brics sidelines - Abbas Araghchi

Commissioner News Service New Delhi : New Delhi : "US has reached a point ... Iranian foreign minister on West Asia war orientates during BRICS sidelines. Abbas Araghchi Iranian Foreign Minister exalted India's leadership role at the BRICS grouping while stressing the need for diplomacy in resolving the ongoing West Asia conflict and clarifying Iran's position on the Strait of Hormuz. In an exclusive conversation with Doordarshan on the sidelines of the BRICS summit in New Delhi, Araghchi appreciated the BRICS' position on condemnation of aggression in West Asia. Calling for dialogue over confrontation in West Asia, the Iranian foreign minister said, "For West Asia its best to with diplomacy, there is no military solution." Referring to tensions with United States, Araghchi said, "US should understand the point, they have tested us." "They have come to the point

and understand that they can not achieve anything through aggression," he added, while also pointing to mixed messaging from Washington. Araghchi said, as the peace talks remain in limbo despite a fragile ceasefire in the region. On the strategic Strait of Hormuz, a key global oil shipping route, the Iranian minister asserted that passage remains open for friendly nations. "Strait of Hormuz as far as we are concerned is not closed specially for friendly countries, its only closed for our enemies," he said. Clarifying Iran's stance on maritime movement, Araghchi added, "But friendly countries vessel belongs to all other countries. We only ask to coordinate with our military to avoid any obstacle in the way for safe passage."

### Disproportionate assets of Rahul Gandhi, probe sought through CBI, by Vignesh Shishir, BJP activist

progress report by July 20,2026. The department of personnel and training, revenue department, ministries of finance and corporate affairs and the director of serious fraud Investigation office to file their with resooiin 8 eight weeks,

progress report by July 20,2026. The department of personnel and training, revenue department, ministries of finance and corporate affairs and the director of serious fraud Investigation office to file their with resooiin 8 eight weeks,

### 2000 km under sea gas pipeline at cost of Rs 40,000 Cr to diffuse fuel tension

Commissioner News Service MUSCAT : A spectacular 2,000-kilometer undersea pipeline would facilitate gas supply from Oman to Gujarat. The war between Iran and America-Israel in the Middle East has erupted crisis and tension in the world. The Strait of Hormuz through which 20 to 25 percent of the world's crude oil and gas trade takes place has witnessed disruptions in the smooth flow of gaseous.fuel as the route at present stands

blocked. India imports 40 to 50 percent of its crude oil and about 80 percent of LPG through this route. But since the start of the conflict and the blockade, the import of oil and

gas has been affected. In view of this crisis. Under the proposed mega plan,This means that gas from the Gulf will flow directly to Gujarat, India, via the under sea route. The closure of the route has disrupted not only gas and oil but also food imports and exports. With energy security emerging as a key priority, the government is refocusing its attention on the proposed project connecting Oman with India.

### Delhi HC seeks replies from Arvind Kejriwal, others in criminal contempt case

Commissioner News Service Delhi High Court on Tuesday issued notice to Arvind Kejriwal, Manish Sisodia, Sanjay Singh and other Aam Aadmi Party (AAP) leaders on a suo motu contempt of court plea for their alleged "defamatory and vilifying" remarks against Justice Swarana Kanta Sharma. A Bench of Justices Navin Chawla and Ravinder Dubeja said. The proceedings have been initiated on the basis of the order date May 14. The single judge has placed reliance on the material from social media posts and other electronic and publication record. The Registry is directed to preserve copies of the same and place them before this Court..Issue notice to the alleged contemnors, namely so and so.. Alleged contemnors can file their

response in 4 weeks."Even as no counsel appeared before it, the Court said that it would appoint an amicus to assist it. The matter will be heard on August 4. Mr Kejriwal, Sisodia and Pathak had earlier sought Justice Sharma's recusal. However, Justice Sharma rejected their recusal application on April 20. The judge in that order said that a politician cannot be allowed to sow seeds of mistrust and that the

application seeking her recusal amounted to putting the judiciary on trial. Various posts had appeared on social media against Justice Sharma before and after the order passed by her, prompting her to initiate the contempt of court proceedings today. In her detailed order initiating the proceedings, Justice Sharma also took note of the letters written by Kejriwal, Sisodia and Durgesh Pathak boycotting the proceedings and the video published by Kejriwal detailing his reasons to boycott the case before Justice Sharma. In light of the initiation of the contempt case, the judge directed that the Excise Policy case be transferred to some other Bench since Kejriwal and Sisodia are accused in that case.

**EDITORIAL -**

**Retail inflation would plague comforts**

“With fuel hike, transporters are left with no option but to partially pass on the burden to customers,” says Ashok Goyal, national president of the association. All India Motor Transport Congress’ Former president Bal Malkit Singh said fuel price hike has further hurt the finances of the transport industry. “Diesel alone contributes nearly 50-55% of total truck operating costs, and with increases in fuel prices, tolls, insurance, tyres, maintenance and compliance expenses, transporters are struggling for survival. “The impact of the fuel price revision will start showing up in the May consumer price index (CPI) print, with full transmission likely from June onwards. Most economists are revising the projections for the year. IDFC First Bank chief economist said today’s change in petrol and diesel prices will add 12 bps to headline CPI inflation, incorporating only the direct pass-through as May

CPI inflation is estimated at 3.9%. “We expect a cumulative rise of up to 10% in retail petrol and diesel prices (including today’s increase), spread over the next few months. Full-year FY27 CPI inflation is expected to average 4.9%,” she said. The fuel price hike to push up the average retail inflation by 25 basis points (100 basis points equal a percentage point) on an annualised basis. “We are now revising our forecast for May 2026 to 4.3% from 4.1%,” said, Chief Economist, Aditi Nayar. In accordance with to Radhika Rao, senior economist at DBS Bank, higher pump prices are likely to moderate demand and consequently the import burden. “Given the weightage of petrol and diesel in the CPI basket, a 3-5% increase likely adds 15-25 bps to the headline print, besides second round impact,” she said. Economists warn that the concern is not merely the direct impact of fuel inflation, but also the second-round effects taking place

through transportation, logistics, manufactured goods and services. Megha Arora, director at India Ratings & Research pointed to the additional pressure coming from rising milk prices, alongside fuel costs. “The combined effect of petrol, diesel and milk price is likely to increase the CPI inflation by around 42 bps. The actual impact is likely to be higher via the fuel user industry like transportation and others. However, the impact in the month of May 2026 could be around 20bps,” Ms Arora said. Freight rates for goods transported by road are likely to rise by 2.5-3%, said All India Transporters Welfare Association (AITWA). The transporters’ body said the industry has been facing cost pressure over the last few weeks as prices of Diesel Exhaust Fluid or urea used in BS-VI vehicles have shot up by more than 50%, while that of tyres, lubricants, toll charges, and several other inputs have also increased.

**328 more electric buses to be inducted under Central scheme from October**

**Commissioner News Service**  
**CHANDIGARH** : Sanctioned under the PM e-Bus Sewa Scheme from October this year. The UT Administration would most probably start getting 328 electric buses in transition to environmentally friendly transportation. A total of 428 electric buses for the city had been sanctioned under the scheme by the Ministry of Housing and Urban Affairs. Out of these, 100 buses were sanctioned to replace the 100 diesel buses following their condemnation post completion of their operational lifespan of 15 years from Depot IV of the Chandigarh Transport Undertaking (CTU). Out of the 100

sanctioned electric buses for Depot-IV, 60 electric buses have already been inducted and are operational, while the remaining 40 buses are scheduled to be added by June, said officials. The CTU is at present operating a fleet of 140 electric buses on Tricity routes. The delivery of 328 additional electric buses sanctioned under the PM e-Bus Sewa Scheme is expected to commence in October

this year, as the ministry has floated e-tender for procurement of the buses. Officials stated the UT Administration planned to replace all diesel buses with electric buses by the end of 2027-28 to promote eco-friendly, sustainable and green public transport in the city. For the first lot of 100 electric buses, the UT Administration has signed an agreement at the lowest amount of Rs 61.80 per km with the operator. Under the hiring model procurement, maintenance and operation will be looked after by the operator, while the revenue will be collected by the department.

**Chandigarh Excise deptt envisages revenue to go beyond Rs 1000 crore**

**Commissioner News Service**  
**CHANDIGARH** : Out of 97 retail liquor vends, 96 have been allotted for the year 2026-27 for Rs 560.85 crore against the reserve price of Rs 450 crore. The department stated that several reformative measures were introduced in the Excise Policy 2026-27, including auto-renewal of labels, maintenance of real-time stock inventory by licensees, reintroduction of liquor licences at departmental stores and transportation of liquor through GPS-enabled vehicles for ensuring better transparency, monitoring, and regulatory compliance. The UT Excise and Taxation Department is likely to achieve excise revenue collection of approximately Rs 1,009 crore against the target of Rs 1,000 crore during the fiscal 2026-27. The information was provided by the department during a review meeting held under the chairmanship of Chief Secretary H Rajesh Prasad. During the Excise Policy Year 2025-26, the department had collected Rs 965.71 crore as revenue. The Chief Secretary directed the officers to further strengthen enforcement activities and

maintain strict vigil over all excise licensees. Directions were also issued to initiate breach proceedings against licensees found violating the provisions of the Excise Policy and relevant rules. Emphasis was laid on effectively checking the illegal movement and sale of liquor, and ensuring that all necessary preventive and punitive measures are taken to curb illicit trade. The meeting was attended by Diprava Lakra, Secretary (Excise & Taxation); Nishant Kumar Yadav, Excise & Taxation Commissioner; Pradhuman Singh, Additional Excise & Taxation Commissioner-cum-Deputy Excise & Taxation Collector (Excise) and Excise & Taxation Officer (Excise).

**Sumeet Dhillon Tehsildar fined Rs 15,000 for not providing info under RTI Act**

**Commissioner News Service**  
**MOHALI** : HS Hundal, an appellant r/o Sector 76 the respondent tehsildar had not allowed him the inspection of record in a case in which the authority had passed orders earlier. Since the respondent was not present, an opportunity was given to him to appear before the commission and state his case. However, on September 16, 2025, the respondent was again absent, hence Rs 1,000 in compensation was awarded to the appellant and a show-cause notice issued to the respondent-PIO. In the follow-up, Punjab State Information Commission slapped a penalty of Rs 15,000 on Mohali Tehsildar Sumeet Dhillon, the respondent PIO in a case, for not providing information to a Sector 76 resident under the RTI Act. On the next date of hearing on November 27, 2025, the respondent was again absent, after which bailable warrants were issued against him through the Mohali SSP. On the next date of hearing

on February 12, 2026, Dhillon appeared before the commission. The inspection rights were given to the appellant and the case was adjourned to May 5. The appellant stated that the respondent had not facilitated for the inspection of record again and he was again not present during hearing. A perusal of the case file shows that the respondent-PIO has failed to comply with the directions of the commission. The respondent’s non-response indicates a clear lack of interest in pursuing this matter, which reflects disrespect, observed the commission. The Drawing and Disbursing Officer of the office of Tehsildar, Mohali, was directed to deduct Rs 15,000 from his salary and deposit it in the State Treasury.

**Chd calls for Rs 10,000 penalty for urinating, defecating in open**

**Commissioner News Service**  
**CHANDIGARH** : The Municipal Corporation (MC) has amended the Solid Waste Management (SWM) Bylaws, 2018, in compliance with the Swachh Survekshan-2025 guidelines issued by the Ministry of Housing and Urban Affairs. Urinating or defecating in the open will now attract a fine of Rs 10,000. Mr Amit Kumar, MC Commissioner exhorted people to use public/community toilets in order to keep Chandigarh clean and

maintain its “City Beautiful” status. To ensure the highest standards of public health and sanitation, open defecation and open urination were now categorised as offences under “Littering” (Clause 4(49)) and the offender was liable to pay a fine of Rs 10,000, said an MC official.

**April GST mop-up in Chandigarh, rises 65% at Rs 289 crore**

**Commissioner News Service**  
**CHANDIGARH** : In accordance with the data released by the Ministry of Finance, the post-settlement collection for April stood at Rs 289 crore, which is Rs 114 crore more than Rs 175 crore mopped up in the same month last year. The UT Administration recorded an increase of 65% in the Goods and Services Tax (GST) collection in April against the gross levy collected during the month in 2025. The town witnessed a decline of 8% in the tax collection in March in comparison to the levy collected during the corresponding period in 2025. The post-settlement collection for March stood at Rs 205 crore, which was Rs 18 crore less than Rs 223 crore received in the same month in 2025. This decline was a cause for concern for the Administration, as revenue

collections usually pick up at the end of the financial year. Experts stated that there could be several reasons behind this decline in GST collections, including lack of business activities, poor demand in the market and a slowdown in some sectors. After witnessing a drop in tax collection, the Administration took various steps to increase revenue, including cracking down on tax evaders, strengthening digital monitoring and raising awareness among traders. The city had witnessed a growth of 7% in the tax collection in February. The GST collection for February stood at Rs 210 crore, which was Rs 15 crore more than Rs 195 crore collected during the month a year before.

**SIR at door-to-door of voters to begin in SAS Nagar district from June 25**

**Commissioner News Service**  
**MOHALI** : The district administration has initiated comprehensive preparations following the ECI’s notification for the statewide revision across Punjab. Komal Mittal, District Election Officer-cum-Deputy Commissioner announced that the Special Intensive Revision (SIR) of electoral rolls in Sahibzada Ajit Singh Nagar district would be conducted in a completely transparent, systematic and time-bound manner, following the directives of the Election Commission of India (ECI). Under the SIR drive, Booth Level Officers (BLOs) will conduct

door-to-door visits from June 25 to July 24 to distribute and collect voter forms. To ensure the exercise runs smoothly, the administration has deployed 838 BLOs, 83 Supervisors, 3 Electoral Registration Officers (EROs), and six Assistant Electoral Registration Officers (AEROs). Mandatory training for field staff will take place from June 15 to June 24. “The primary objective of the SIR is to ensure the inclusion of every eligible citizen in the

electoral roll, while simultaneously removing ineligible entries to maintain absolute accuracy and integrity,” Mittal stated. January 1, 2003, has been fixed as the qualifying date for the SIR. Mittal further stated that the rationalisation of polling stations would be completed by July 24, while the draft electoral rolls would be published on July 31. Claims and objections regarding the draft voter lists may be submitted from July 31 to August and their disposal would be carried out between July 31 and September 28. The final publication of the electoral rolls had been scheduled for October 1.

**Weapon licence holders in Haryana to report use of firearms within 30 days**

**Commissioner News Service**  
**PANCHKULA** : The report of weapon licence use would include when and where the weapon was used, the reason for its use, and the number of rounds fired. The disposal of spent cartridges would also be required to be submitted. If empty cartridges are not available, the reason must be stated in writing. The Haryana Home Affairs Department has issued these orders for weapon licence

holders, who will be required to report the use of their licenced weapon to the relevant licensing authority within 30 days. The move is being seen as a way to regulate information about the use of weapons. It will also help in monitoring licenced firearms, curb illegal use, and prevent celebratory gunfire. Assistant

Commissioner of Police Vikram Nehra said, “A record of all such reports will now be maintained. If a licence holder neglects to provide information or their response is found to be unsatisfactory, it could impact the renewal of their weapon licence.” Police deptt have appealed to all licence holders to follow the rules and provide correct information about the use of weapons to the concerned department on time.

**Automated testing station to replace manual checking of commercial vehicles in Chandigarh**

**Commissioner News Service**  
**CHANDIGARH** : An automated testing station (ATS) is coming up at Raipur Kalan and the work is in an advanced stage. Manual testing of commercial vehicles will soon be a thing of the past. Machines are being installed and the station is likely to be made operational by August. Commercial vehicle fitness tests will be conducted with the use of sensor-based

systems to ensure transparent, accurate and standardised testing. Nearly 30,000 commercial vehicles have been registered in the city. After eight years, the mandatory fitness certificate is required every year for the renewal of vehicle

registration certificate. At present, vehicles are manually inspected at Manimajra. To enhance road safety and reduce pollution, various parameters such as brake efficiency, suspension, steering alignment and emission levels will be evaluated at the testing station. The officials stated that the automated station would help check corruption, human error and manual manipulation.

**In 'bank fraud' case AAP leader Deepak Singla arrested by ED**

**Commissioner News Service**  
**NEW DELHI :** In connection with an alleged bank fraud-linked money laundering case, the Enforcement Directorate (ED) on Monday arrested AAP leader Deepak Singla after conducting searches at multiple locations in Delhi and Goa. Deepak Singla, who is also the AAP's Goa co-in-charge, was questioned for several hours before being taken into custody by the agency. The searches were carried out by the ED's Delhi zonal office-2, officials said. Inputs had been gathered from reliable sources that Singla allegedly handled the hawala operations for fund movement for AAP between Delhi and Goa, said ED officials. Further, Deepak Singla along with his uncle Ashok Kumar Mittal and brother Raman Singla and Harish Singla, reportedly defrauded Oriental Bank of Commerce of more than Rs 150 crore, the ED has alleged. The money was sent to firms

in Singapore, the anti-money laundering agency further alleged, adding that such proceeds of crime were reportedly routed back to India through a hawala route to be infused back in "illegal activities" of Singla. The development comes months ahead of the Goa Assembly elections, scheduled to be held in February next year, triggering a sharp political reaction from AAP leadership. In a social media post, AAP national convener Arvind Kejriwal said, "Deepak Singla has not been arrested because he did anything wrong. He has been arrested because he was working against the BJP and refused to join it. Deepak is brave and is fighting for the country." AAP Goa in-charge and former Delhi Chief Minister

Atishi alleged that the BJP was using Central agencies to target Opposition leaders in poll-bound states. In a post on X, Atishi said, "With AAP's popularity growing in Goa, BJP's loyal foot soldier — the ED — has been sent here as well! From early morning today, there is an ED raid at the residence of AAP Goa co-in-charge, Deepak Singla, as well as the home of some volunteers in Goa." She further alleged, "Not only is this an attempt to scare our volunteers, but it is also to acquire all our organisational data for the BJP!" Singla had contested the 2025 and 2020 Delhi Assembly elections from the Vishwas Nagar constituency on an AAP ticket. This is not the first time Singla has come under the ED scanner. In 2024 too, the agency had conducted searches at his residence in connection with the same alleged bank fraud and money laundering probe.

**In Rs 150-crore Suntec City-Altus CLU fraud, GMADA Chief Administrator summoned by ED**

**Commissioner News Service**  
**CHANDIGARH :** Real estate circles in Greater Mohali are abuzz with the development as the ED probe now directly scrutinises the top brass of GMADA and housing department. The Enforcement Directorate (ED), Jalandhar Zonal Office, has summoned the Chief Administrator of the Greater Mohali Area Development Authority (GMADA) to appear before it on Monday in connection with its ongoing money-laundering investigation into alleged massive irregularities in Change of Land Use (CLU) approvals granted to two major real estate projects — Suntec City and Altus Space Builders Pvt Ltd. The summons issued by ED directs the Chief Administrator or an authorised representative (not below Gazetted Officer rank) to present himself at the ED office in Jalandhar. The notice states that the Chief Administrator's personal appearance is required "to give evidence and for production of records" in the PMLA probe. Failure to comply would

**Greater Mohali Area** invite penal action under the Prevention of Money Laundering Act, 2002, and relevant provisions of the Bharatiya Nyaya Sanhita, 2023. Proceedings under Section 50 of PMLA are deemed judicial. The summons comes barely 10 days after the ED conducted simultaneous searches at around a dozen locations in Mohali, Chandigarh, New Chandigarh and Patiala on May 8, targeting the Indian Cooperative Housing Building Society (promoter of Suntec City), its office-bearers Ajay Sehgal and Suresh Kumar Bajaj, Altus Space Builders Pvt Ltd, ABS Townships Pvt Ltd, Dhir Constructions (and its promoter Gaurav Dhir), and alleged middleman Nitin Gohal.

**Shivraj Chouhan announces collective decision of agriculture ministry not to buy gold for 1 year**

**Commissioner News Service**  
**NEW DELHI :** Union minister Shivraj Singh Chouhan on Monday announced that officials of the agriculture and rural development ministries headed by him have collectively decided not to purchase gold for the next one year. Shivraj Singh Chouhan made the announcement in line with Prime Minister Narendra Modi's recent appeal to citizens for judicious use of resources to strengthen the Indian economy, and shield people from the adverse impact of the West Asia conflict. "Officials of the agriculture and rural development and related departments have collectively decided not to purchase gold for the next one year. Official tours and visits will be limited and regulated according to necessity. Physical visits will be undertaken only for essential work, while other activities will be conducted through video conferencing and virtual platforms," the

minister said. Chouhan said a nationwide "Save Farms Campaign" will be conducted for 15 days starting from June 1, aimed at creating awareness among farmers about balanced and necessary use of fertilisers. He said upcoming regional conferences related to the agriculture sector will be organised through virtual platforms to promote technology-based effective communication and coordination. The Union minister said a rotation-based "work from home" system will be implemented for 20 per cent of employees. "A decision has been taken to regulate and limit electricity

consumption in offices. A carpooling system will be adopted one day of every week for saving fuel and ensure better utilisation of resources," he said. He said the initiative will be extended up to the Director level, alongside a targeted reduction in the usage of approximately one-third of the vehicles within the Ministry, with the aim of curtailing expenses related to fuel, vehicle maintenance, driver arrangements, and other associated costs. The Ministry of Agriculture also emphasised on reducing unnecessary consumption of edible oils to decrease import dependence and encourage a healthier lifestyle. It has been decided to launch a special public awareness campaign to promote the balanced and healthy consumption of edible oils. This initiative aims to curb excessive consumption, foster positive health outcomes, and bolster the national objective of reducing the country's dependence on imported edible oils.

**7,000 km high-speed rail corridors would be built by 2047: Vaishnav**

**Commissioner News Service**  
**NEW DELHI :** High-speed routes, designed for maximum speeds of up to 350 km per hour and an operating speed of 320 km per hour, will mark a transformative leap in India's rail infrastructure, said the Union railway Minister Ashwini Vaishnav while inaugurating the 16th International Railway Equipment Exhibition (IREE), 2025, at Bharat Mandapam in New Delhi. Unveiling an ambitious roadmap for the Railways, on Wednesday announced that the government plans to build 7,000 km of dedicated passenger corridors by 2047 under the Viksit Bharat vision. Vaishnav said the proposed corridors would be powered by indigenously developed signaling systems and modern operations control centres, ensuring both speed and safety.

He also outlined the government's futuristic vision for Vande Bharat 4.0, Amrit Bharat 4.0, and next-generation railway manufacturing standards. Highlighting the success of the Vande Bharat series, he said the third-generation train already meets global parameters, with acceleration from 0 to 100 kmph in just 52 seconds, faster than many trains in Japan and Europe, while maintaining low noise and vibration levels. "Vande Bharat 4.0 will be a new benchmark in performance and passenger experience," said Vaishnav, adding that the upcoming model will focus

on superior seats, enhanced toilets, and refined workmanship. Discussing the Amrit Bharat series, the minister said the 2.0 version is already operational and the 3.0 model, based on push-pull technology, is being developed for long-distance routes. The 4.0 version, he added, will bring in new-generation trainsets and locomotives, expected to be ready for testing within 36 months. Vaishnav credited Prime Minister Narendra Modi's leadership for what he termed "a decade of modernisation," noting that more than 35,000 km of new rail lines have been laid and 46,000 km of electrification completed in the past 11 years. "Our budget allocation for the Railways has consistently risen, reflecting the government's commitment to a modern, self-reliant network," he said.

**Pilgrims advised to check registration process as Amarnath Yatra 2026 slated to begin from July 3**

**Commissioner News Service**  
**NEW DELHI :** Tourists between the ages of 13 and 70 can undertake the yatra and registrations will begin from April 15, the LG told reporters at the Lok Bhavan here. The annual pilgrimage to the holy cave shrine of Amarnath in south Kashmir will commence on July 3 and conclude after 57 days on August 28, Lieutenant Governor Manoj Sinha said. The dates for the yatra were decided at a meeting of the Shri Amarnath Ji Shrine Board (SASB) under the chairmanship of Sinha. "The Amarnath Yatra will commence on July 3 and conclude on August 28. Overall, this year's pilgrimage will be slightly longer, lasting about 57 days," the LG said. Registration for the pilgrimage has been made mandatory and will begin from April 15. The minimum age for pilgrims has been fixed at 13 years and the maximum at 70 years, he said. "Advance registration can be carried out through about 556

designated bank branches across the country, while online registration will also be available through the official website of the Shri Amarnathji Shrine Board," Sinha said. Yes Bank, ICICI Bank, Punjab National Bank, State Bank of India and Axis Bank will facilitate registrations through their branches, he said. The LG said the first puja will be performed on June 19, on the occasion of Jyeshtha Purnima. The pilgrimage will commence from the twin tracks—the traditional 48-km Nunwan-Pahalgam route in Anantnag district and the 14-km shorter but steeper Baltal route in Ganderbal district.

**Round the clock drinking water scheme for Shimla by June 2026: Deputy CM**

**Commissioner News Service**  
**SHIMLA :** "Shimla will receive round-the-clock drinking water supply by June 2026 with the completion of the ambitious Shakroli drinking water scheme", said Mukesh Agnihotri, Himachal Pradesh Deputy Chief Minister. "The project, under which water from the Sutlej river will be lifted to Shimla, will resolve the city's drinking water problem for the next 50 years", said Mr Agnihotri while presiding over the district-level Himachal Day celebrations at The Ridge. "About Rs 600 crore is being spent on this project, which is almost complete, and drinking water supply under this scheme has already started," he said, adding that the town will receive around 67 million litres per day (MLD) of water. The Deputy CM said that Rs 325.90 crore has been approved for the state's largest drought-affected areas of Matiana and Theog. "Out of

this, Rs 277.86 crore has already been spent. The work on the scheme from Kurpan Khad is progressing rapidly and will be completed soon," he said. Highlighting the significance of the day, Agnihotri said April 15, 1948, marked the formation of Himachal Pradesh, just months after Independence. "The leaders of the Prajamaandal movement and the people of Himachal played a crucial role in establishing Himachal as a separate state. We pay tribute to all the great personalities who made invaluable contributions," he said.

He also took a dig at the previous BJP-led government, blaming it for the state's financial challenges due to "poor economic policies." Agnihotri said the government is prioritising healthcare and is spending Rs 3,000 crore to replace outdated machinery and equipment. "Our efforts to improve the education sector have paid off, and we have achieved the milestone of becoming a fully literate state," he added. Expressing concern over the rising drug menace, he said the government has launched a statewide 'anti-chitta campaign' and is confident of curbing the problem. He added that the "Khelo India - Chitta-Free Campaign" will soon be launched to encourage youth to adopt a healthy lifestyle through sports. The Deputy CM also urged people to elect capable and qualified candidates in the upcoming Panchayati Raj elections to ensure the state's continued progress.

**Thousands Of Fraudulent Lawyers are practising ; CBI must Verify Law Degrees : CJI Surya Kant**

Commissioner News Service  
New Delhi : Several bogus advocates do practise in Delhi, the Chief Justice of India on Friday observed that he was thinking of ordering a CBI investigation into the genuineness of their law degrees. The CJI observed that he had noticed the comments being made on social media by these lawyers, and questioned the

genuinity of their law degrees. The Chief Justice also commented that the Bar Council of India cannot be expected to do anything as they are "absolutely in collusion" with

the lawyers. A bench comprising CJI Surya Kant and Justice Joymalya Bagchi was hearing an application filed by an advocate against the Delhi High Court over senior designations. While pulling up the petitioner for his repeated petitions, the CJI shared his views about some of the lawyers in Delhi.

**Tamil CM CJoseph Vijay keeps Portfolio Home, Municipal, Women Welfare besides allotting Finance to Sengottaiyan**

Commissioner News Service  
Chennai : C Joseph Vijay carried out his first round distribution of portfolios amongst his legislators. The chief minister retained Home , Municipal, Women Welfare , Youth Welfare, special programme implementation and urban water supply. With other allocation of crucial departments as higher education, revenue , HR & CE, tourism and information technology still remain unallocated.. Mr Santiago Martin Adhav , the son in law

of lottery baron given Public Works Department. Several departments continue to operate without ministers further delaying policy decisions and scheduled meetings. Other major departments would be allotted to Congress and rebel A I A D M K leadership.

**Home deptt to go with Chennithala rival of chief minister designate CM Satheesan**

Commissioner News Service  
Thiruvananthapuram : Regulating internal factions, Chief minister designate VD Satheesan disclosed 21 member cabinet with veteran congressman Ramesh Chennithala enjoying Home and Vigilance portfolio. From the 21 ministers, 14 would be first timers, including Satheesan. The congress has 11 berths apart from the C M, IUML, five whole Kerala Congress Joseph, RSP, CMP and Kerala Congress (Jacob) get one each. With in the Congress, intense lobbying for cabinet formation was seen , with Venugopal 's camp emerging influential in the formation of the cabinet. Chennithala had skipped the Congress legislative Party meeting after being overlooked for the Chief Minister post, was persuaded to join the ministry after assurances over the portfolios. Multiple factors

were justifiably balanced in determining the final composition of the cabinet. Other factors were social stature, regional popularity, women welfare, and dalit representation that occupied key priorities in the cabinet. For broad social coverage, the congress has picked up two members from scheduled caste communities in the ministries, said Satheesan. The government is vigorously planning with advanced, prosperous countries to liaise for mobility , green hydrogen and defence cooperation. An

emphasis on freedom of navigation and global flow of commerce through "Strait of Hormuz" while opposing any restrictive measure and reaffirmed overwhelming support for ongoing efforts. The other day, in Sweden, Prime Minister Modi on Sunday attended European roundtable attended by European chief Ursula von der Leyen, Modi said India and Sweden are connected by shared values of democracy, transparency, innovation and sustainability which provides a foundation for an ambitious and forward looking economic partnership. Mr Modi interpreted " We consider innovation to be the medium of development... sustainability to be our responsibility . And we consider democracy to be our strength, said the Prime Minister.

**India to host 18th" BRICS summit in Sept 2026 at New Delhi**

Commissione News Service  
New Delhi : The motto of the BRICS would remain as "Building for resilience, innovation, cooperation and sustainability". The summit would witness evolving new digital financial system. In order to bypass the Western - dominated SWIFT network and lessen dependence on the US dollar, the BRICS might implement the new digital system, as Blockchain - The central initiative would be blockchain - based platform designed for

direct transaction envisahing to traditional Western correspondent banking system. Central Bank Digital System - Apart from single shared currency, the system would focus on linking the

CBDCs if member nations -- such as India' s e - rupee, China' s - yuan, and Russia' s e - rible. Independent messaging : The system would aim to function. As a decentralised cross border messaging system, capable of processing upto 20,000 messages per second, acting as a direct alternative to SWIFT. Local currency settlement : This system would aim to allow BRICS nations to settle trade in their local currencies, reducing dependence on US dollar.

**Synthetic milk dominates market unchecked by health authority**

We over 70% of populace digest daily the pulverised synthetic milk which comprises a definite quantity of detergent, urea, caustic soda, sodium hydroxide and fats, cautioned the otherday, Dr Harsh Vardhan, former Union Minister for Science & Technology. In accordance with Food Safety & Standard Authority of India, the quality of milk in question doesn't conform to the parameters laid by the stipulated law. The excess water added to the milk may destroy the intake of nutritious specific values, which are immensely harmful. The unnatural milk also comprises certain quantity of insecticides and metal which are destructive to human health. One day, skimmed milk sample of 548, only 577 were found to be carrying ample quantity of glucose. It has been noticed while storing, packaging, certain quantity of detergent particles enter the openly placed quantity of bare milk. The demand for the genuine quality milk is not being met hence the glut of synthetic milk would continue to rein in the prevailing market.

Artificial imitation of natural milk remains harmful to human health. Its excessive use inflict very serious damage on human body causing swelling in the eyes and many other complication in the liver and kidney. The journey of synthetic milk, now a days, has been heading from urban area to rural populace to acclimatise to their propensities. Our nation has been notoriously becoming famous, leaving concentration away from genuine natural milk. Now fait accompli, we are tolerating assortment by of chemicals, urea, by compulsion as the occupation of genuine dairy farming has been going in very lackadaisical race even government controlled units are losing curiosity in natural milk. What a catastrophic approach, but against whom? remains puzzling.

**French President invites PM Modi on 52nd summit to be held on 15th June for 2 days**

## Low cost unmanned technologies to fight future wars

Commissioner News Service  
 Washington : Drones, artificial intelligence and autonomous systems , would rapidly transform the modern warfare systems, said the US Army for the law makers.

Future battlefields would be dominated by scalable unmanned technologies. US Army secretary Daniel Driscoll said the character of the war was changing at unusual speed and at unprecedented speed.

The secretary said the army was moving aggressively to integrate autonomous systems,

battlefield AI and open architecture command systems into future operations. 'Operation Jailbreak' at Fort Carson, Colorado, an integration effort by US army was launched , where defence contractors and engineers are, seen , trying to break down software barriers that prevent military systems from sharing battlefields data seamlessly.

## Iran allows Chinese ships to pass Hormuz Strait

Commissioner News Service

Tehran : Foreign Minister Abbas Araghchi accused the United Arab Emirates of playing what he called an active role in the U.S.-Israeli war against Iran.

"The UAE is an active partner in this aggression, and there is no doubt about it," Mr. Araghchi said while attending the BRICS summit in New Delhi. "It also became clear that they participated in these attacks and may have acted directly against us."

Meanwhile, the Ministry

of External Affairs (MEA) said that an Indian-flagged ship had been attacked off the coast of Oman on and all crew on board were safe. Iran has provided "free of charge services" to international shipping in the Strait of Hormuz for decades but is now work-

ing on a "protocol" to include a financial component covering costs it incurs to make navigation safe in the Persian Gulf region, said the country's Deputy Foreign Minister Kazem Ghaziabad in New Delhi.

"Iran has a significantly degraded threat, and they no longer threaten regional partners, or the United States, in ways that they were able to do before, across every domain," Admiral Brad Cooper told a Senate committee. "They've been significantly degraded."

## List must your discretionary gold purchases : Govt

Commissioner News Service

Mumbai : Jewellers are likely to pass on the hike in import duty to customers, pushing up prices of g. old ornaments . India's cultural and emotional affinity to hold especially during wedding and festive seasons continues to support long term demand. Customers are increasingly vie wing gold not only ss an ornament but also as trusted investment vehicle" Says Dr Joy Alukkas, chairman and MD at Joyalukkas.

Kalyan Jewellers has launched a Gold 4 India initiative as part of which it is pushing consumers to exchange old, unused, broken or outdated jewellery and also buy more of 18,000 jewellery which requires a lower quantity of pure gold. The Gem and Jewellery Export Promotion Council (GJEPC) has asked its members to promote sales of lower caratage jewellery and discourage investments in gold bars and coins which accounts for 20-30% of total imports. Customers particularly first

time buyers will take a moment to recalibrate , said MP Ahammad, chairman at Malabar Group adding that exchange of old gold for new jewellery which already makes for a meaningful share of transactions at organised retailers will become the dominant mode of purchase going ahead. Gold jewellery is deeply rooted in Indian culture and synonymous with weddings and festivities in many parts of the country, companies are hopeful that a broader slump in demand will be averted and essential consumption of the yellow metal will continue.

## Trump on Xi 's gesticulation touches 280 yrs old tree in secret garden

Commissioner News Service

Beijing : President Xi Jinping takes him to secret garden, shows old trees: "They live that long?"

The age of the trees and who else has seen them — these were two questions US President Donald Trump asked, as his Chinese counterpart Xi Jinping took him to the walled-off Zhongnanhai compound, a secret garden that houses key government offices.

Centuries-old trees dominated the conversation — or at least the parts caught on a hot mic — in Beijing's former imperial garden where Trump and Xi strolled in the concluding hours of their summit.

The garden now houses the offices of the ruling Communist

Party and the state council, or China's cabinet. It is adjacent to the capital's famed landmark of the Forbidden City and just off Tiananmen Square.

"Let me tell you, all the trees on this side are over 200 to 300 years old," Xi said through an interpreter, as he gestured towards some towering trunks. "Over there, there are some more than 400 years old."

Trump asked in reply, "They live that long?"

Xi then added, "There are also 1,000-year-old trees in other

places (in the garden)."

Trump also sought to know if other foreign leaders had been received in the secret compound.

"Very rarely," Xi responded. "We usually didn't hold diplomatic events here. Even after we started having some, it's still extremely rare."

He added, "For example, (Russian President Vladimir) Putin has been here."

Barack Obama is another US President who's been hosted here, 12 years ago, by Xi. That did not come up, nor did the fact that President George W Bush was also Xi's guest in the compound in 2008.

Xi then invited Trump to touch a 280-year-old tree. "Good. I like it," Trump said.

## British Health Secretary Wes Streeting resigns, indicting PM Starmer short of vision and direction

Commissioner News Service

London : Health Secretary Wes Streeting is the first full cabinet minister to quit the cabinet in the wake of disastrous local election results. Another 4 junior ministers had quit earlier this week.

"Starmer would fight any leadership challenge mounted against him," said an official. He added the position has not changed since he set that out on Monday. Streeting, in his letter called

for a leadership election, a "battle of ideas", but stopped short of triggering one himself, though it is thought, he does have the backing of 81 Labour MPs needed for doing such practice.

Streeting in his blistering resignation letter, paving the way for a leadership challenge accused PM Starmer. The reason for Labour's dismal 'performance in those elections was the unpopularity of this govt" citing as reasons the winter fuel allowance cuts and Starmer's controversial "Island of Strangers", speech , which was compared to Enoch Powell's "Rivers of Blood" speech.

## "Impact of West Asia conflict plagues globally", Modi tells world leaders

Commissioner News Service

Abu Dhabi : Prime Minister Narendra Modi, who reached in the UAE on Friday held talks with President Sheikh Mohammed bin Zayed Al Nahyan and condemned the attacks on the country amid the West Asia war. "India is ready to extend all possible support to bring peace," said Mr Modi .

The two countries also signed key pacts over strategic defence cooperation, petroleum reserves and supply of LPG, said officias. Energy security is likely to be a central theme of the discussions, as India monitors rising instability in the Gulf region amid concerns over oil supplies and maritime trade routes.

Mr. Modi reached UAE, marking the beginning of a five-nation visit that will also include the Netherlands, Sweden, Norway and Italy. He was welcomed by the President and also received a guard of hon-

our after arrival.

Prime Minister Narendra Modi reaffirmed India's strong support for the UAE during talks with UAE President Mohamed bin Zayed Al Nahyan, stressing that New Delhi stands "shoulder-to-shoulder" with Abu Dhabi amid growing regional instability in West Asia .PM Modi described the UAE as his "second home" and thanked the Emirati side for the warm reception he received.

"I express my heartfelt gratitude for this warm welcome. And as you said, I have come to my second home," PM Modi said, adding that the escort provided by UAE Air Force aircraft during his arrival was "a matter of pride for the people of India."

## Fluoride contaminants in groundwater, a threat to public health

Commissioner News service

DeraBassi : Fluoride habitation carrying water contaminants with the fast depletion of ground water and distant access to safe drinking water has been evolving a serious concern with the ministry of Jal Shakti. As public health his been the intimate concern of Punjab Pollution Control, Ministry of Health and Family Welfare, steps must be initiated to eradicate flow of untreated sewage, effluents into the ground water.

The community water purification plants need to be augmented. The control over expansion of fluorsis need to be endemic, sources revealed. The accessibility to safe drinking water has been eloping with the discharge of untreated chemicals, effluents into the ground water, and depletion not halting for a cause. The multiplying cases of cancer are not being contained duo to the surge in bacterial growth.

Pathogens like bacteria and viruses are being experienced as a very common hazard with the rural public life. Afflicted several health issues might be arthritis, infertility, hypertension, neurotoxicity and increased risk of skeletal cancer, reveals an official.

Additionally prolonged exposure can damage organs like liver, kidneys, lungs and testis. Water contamination has been posing immediate and chronic health threats, needs seriouses contemplation, medication and panacea.
