

# RESUME

## LUKE JONES

### TECHNICAL GAME DESIGNER / QUALITY ANALYST

#### ABOUT ME

Graduate from AIE with a passion for technical design, QA, and tech art, experienced in working with proprietary engines and Unreal Engine. I enjoy blending creativity and technology to bring artistic ideas to life and solving technical challenges along the way.

## EXPERIENCE

- Line Cook Lorenzo's cafe  
January 2019 - December 2022  
Led team to achieve operational goals and maintain workflow efficiency.
- Landscaper Sub Contracted  
January 2023 - September 2025  
Collaborated with clients to understand their landscaping preferences and needs.
- Pastry Chef Emerald bakery  
January 2023 - December 2023  
Developed effective working relationships with colleagues through teamwork.
