About

Walls have various narrations of their own. While they form the backbone of the overall interior architecture, they create dramas, renew charms and redefine outlooks.

At Excel we continually reinvent and reshape wallcoverings to set new trends in the world of interior art. Our products are an embodiment of highly creative and innovative thought with an expertise built over a period of more than two decades.

Ranging from the ethnic and arty to the most contemporary and off-beat types, we deliver a unique newness in all our offerings. Out here to transform wall statements and interior trends, we stand out in terms of customization techniques, collaboration platforms. and distribution networks.
