About

Walls have various narrations of their own. While they form the backbone of the overall interior architecture, they create dramas, renew charms and redefine outlooks.

At Excel we continually reinvent and reshape wallcoverings to set new trends in the world of interior art. Our products are an embodiment of highly creative and innovative thought with an expertise built over a period of more than two decades.

Ranging from the ethnic and arty to the most contemporary and off-beat types, we deliver a unique newness in all our offerings. Out here to transform wall statements and interior trends, we stand out in terms of customization techniques, collaboration platforms. and distribution networks.

Creating spaces that celebrates life

Simple, functional and full of character

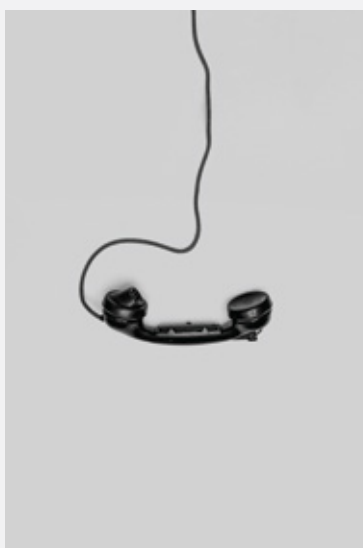

Introducing the Spectrum Collection, a vibrant celebration of design and color that transcends the ordinary. This eclectic range of wallpapers features an array of captivating patterns, from the traditional charm of ikat to the artistic flair of painterly brush strokes. Explore the serene beauty of cloudy textures, the bold geometry of hexagonal distressed tessellation patterns, and the dynamic energy of textured coloured stripes. Each design in the Spectrum Collection is a unique expression of creativity, offering endless possibilities for transforming your space. Embrace the diversity of styles and colours, and let the Spectrum Collection inspire a fresh, contemporary look for your home.
