Stories of life

DEAR DIARY...

remember when I was 12 years old, I wanted a big garden, a huge meadow and a horse with a great, long mane and big googly eyes. At 17, my heart was torn apart when we moved with the family for the first time. But I still see my sandbox love Tom at every summer festival in my old village. And today? Now I'm conquering my own world - off to new shores and experiences and ... finally my first, own flat. And exactly the way I want it.

I'm so looking forward to it...

JOY, CHEER, LEISURE TIME!

The absolute centre of my hobby oasis is my Table Football! The clacking of the bars and the cheers that ring out when I score an absolutely brilliant goal are simply like a magnificent symphony for me! This room unleashes my energy and lets out all my power!

HEY, COME INTO THE DAZZLING CENTRE OF MY DREAM HOME

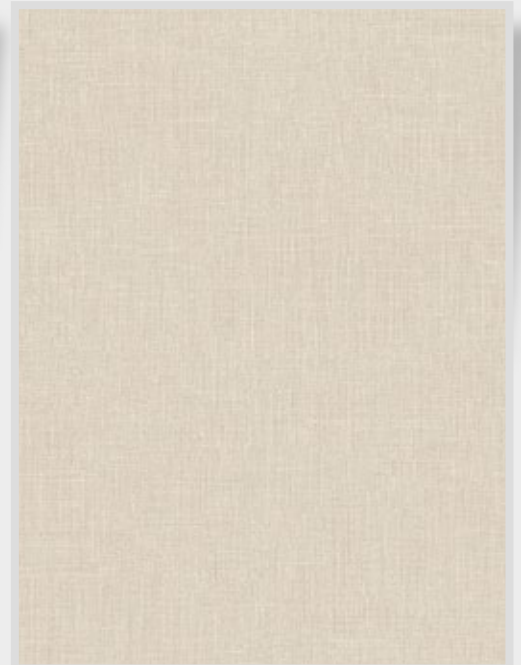

My living room is my ultimate chill spot! I can completely relax here and shut out the outside world. Just hanging out on the sofa, devouring a book and sipping a hot coffee – that's my thing! Or I just let my mind drift and immerse myself in another world.

NO TIME FOR WISTFUL LONGING!

Just relax and tell my favourite people about my latest lifehacks. I make myself comfortable in this place and love to meet up with my favourite people for a video call. It feels retro to tell them about all the adventures I have here every day.

ON YOUR MARKS, KNIT AND GO!

I've always been a bit of a bookworm and that will probably never change... but I can also flop down in my armchair here and continue knitting my scarf – WOW, it probably fits a giant by now.

THE CENTREPIECE OF MY HOME

The kitchen is the absolute hotspot where my love of cooking explodes like wildfire! But hey, there are also moments when my kitchen is more like a fierce battlefield. Don't worry, with my favourite music and an off-the-wall dance performance, the mountains of crockery are history in no time!

I love exploring my new surroundings on my bike and making the tarmac glow. After a tour, I feel like a real adventurer, ready to come home and reward myself with a little rest. Who needs meditation when you're conquering the roads on a bike?

A PLACE OF COMMUNITY AND ENJOYMENT

I could hardly wait to invite my girls round and show them my newly styled home. We all plonk ourselves down at the dining table and immediately start gossiping about the previous week. It's great to see how my dining room has become the ultimate party lounge.
