Suspension Fee

- Course suspension fee: 80€

Do you need to pause your learning? Contact the reception desk at least 2 weeks before your course begins. This way, you won't lose your paid study weeks and can resume classes later.

- Catching up on 4 subjects: 400€

Missed the end-of-term exam? You can retake between 1 and 4 tests (100€ per test).

Refund Policy

A withdrawal or cancellation request incurs an automatic 300€ deduction for administrative, accounting, and banking fees.

- 14-day reflection period:

If the cancellation request is made within this period, the full amount of course fees will be refunded. By default, the enrolment certificate is issued after this cooling-off period. However, it can be issued earlier if requested and accepted by the school. In this case, the student waives their right to this reflection period.

- Beyond the reflection period:

No refund is possible after the reflection period unless there are compelling reasons such as visa refusal, illness, childcare needs, or expulsion. The school will assess cancellation requests on a case-by-case basis.

For students not applying for a visa or a residence permit renewal within 6 months, cancellations without compelling reasons may be accepted under certain conditions, depending on the session:

Cancellation Period	Refund Percentage
More than 60 days before course start date	75%
Between 30 and 60 days before course start date	50%
Between 14 and 30 days before course start date	25%
Less than 14 days before course start date	No refund

- All cancellation requests must be submitted via email or registered letter with acknowledgment of receipt. The receipt date of the request will be considered for refund processing.

Visa Recommendation

If you need to apply for a one-year student visa, we highly recommend choosing an intensive course lasting at least 9 months.
