ABOUT AYUSHSparsh Youth Foundation

Ayushsparsh Youth Foundation is a leading organization dedicated to promoting Ayurveda education, clinical training, and healthcare awareness in India. The foundation organizes workshops, skill development programs, and practical training to create skilled professionals in Ayurveda healthcare.

Our mission is to develop practical Ayurvedic healthcare professionals who can serve patients and build successful careers in the wellness industry.

ABOUT THE COURSE

Certificate Course in Panchakarma Technology is designed to train students in Panchakarma therapy procedures and patient care. Students will learn to:

- ✿ Assist Ayurvedic doctors in Panchakarma therapies
- ✿ Maintain Panchakarma therapy units
- ✿ Prepare oils and therapy materials
- ✿ Monitor patient comfort and safety
- ✿ Guide patients on Ayurvedic diet and lifestyle
