about me

I'm Simone, the creator behind The Travel Log. I bridge the gap between travel inspiration and execution. While many share where they went, I provide the exact digital tools—from curated itineraries to interactive map pins—to help others get there. Based in the UK, I focus on authentic storytelling with a premium aesthetic, helping modern explorers navigate the world with ease and style.

Our Content Ecosystem

The Travel Journal

Authentic, first-person storytelling that builds trust and sparks wanderlust.

Digital Planning Tools

Bridging the gap between inspiration and execution with mobile-optimized itineraries and interactive tools.

Let's Work Together

Why Partner With The Travel Log?

We don't just provide inspiration; we provide the roadmap. By integrating your brand into our high-utility digital itineraries and viral social content, we reach travellers at the exact moment they are ready to book and buy.

Collaboration Opportunities

- **Affiliate Partnerships:** Targeted product placement within our downloadable guides and "Shop" section.
- **Sponsored Content:** Dedicated features in the Travel Journal and custom short-form video for TikTok/Instagram.
- **Digital Asset Sponsorship:** Exclusive branding rights within our PDF itineraries and interactive maps.
- **UGC Creation:** High-aesthetic photography and video assets for your brand's own channels.

Ready to reach the modern explorer?
