EXPERIENCE SUMMARY

With 5 years of experience as a 3D animator, I've excelled in local and international projects. My expertise in character keyframe animation and 3D Props modeling shines through my work. I've thrived on local projects, showcasing meticulous attention to detail and on international projects, adapting to diverse artistic styles and cultural contexts. My portfolio reflects this versatility with captivating characters and immersive worlds. I'm committed to pushing animation boundaries and staying up-to-date with industry trends.
