ABOUT US

CorpEss, originally named before as Strikers LLP, specializes in fulfilling procurement needs for educational and business entities in Bangalore and surrounding areas. With a comprehensive range of offerings, we've proudly supplied over 25,000 school uniforms and gained the trust of 10+ schools in and around Bangalore, India. Our services cover sports infrastructure, Sports equipment uniforms & custom apparel, shoes, sports jerseys, and various school supplies.

In addition to our commitment to educational institutions, we've seamlessly expanded our services to cater to corporate necessities. Whether it's office supplies, unique corporate gifting solutions, or professional merchandising needs like shoes and belts, CorpEss has it covered.

Recognizing the challenges faced by customers due to varying prices and the inconvenience of dealing with multiple vendors, we've set our goal to become the ultimate one-stop-shop for all procurement needs. Drawing from our extensive sourcing and manufacturing experience derived from our successful retail outlets like Style Mart and Strikers, our mission is to simplify and optimize the procurement process for our valued clients.

OUR MISSION

CorpEss is committed to transforming the procurement landscape for educational and business institutions in India and UAE. Our mission is to simplify and optimize the entire procurement process. With a focus on a wide array of supplies schools and corporates, we aim to be the comprehensive solution that streamlines procurement complexities. We strive to eliminate price variations and vendor hassles, ensuring a seamless procurement experience.

OUR VISION

At CorpEss, our vision is to become the unparalleled leader in simplifying and optimizing procurement processes for educational and business entities across the world. We envision a future where our comprehensive solutions redefine convenience in procurement. Leveraging our expertise from successful retail outlets, our goal is to empower clients, allowing them to concentrate on their core goals while we efficiently handle their diverse procurement requirements.
