3. Tailored program for your level:

After our free initial consultation call, the program I present here will be adapted based on your knowledge of the language, your goals and learning skills.

The program here presented has to be considered as a reference to give you an idea of what grammar, content topics, and learning goals can be covered.

> By the end of the program the student will:

- ✓ Acquire a comprehensive and solid knowledge of Italian grammar;
- ✓ Build vocabulary that allow the student to have conversations on different topics, in different real life contexts and considering different timeframes;
- ✓ Develop actively speaking, listening, writing and reading skills;
- ✓ Gained the set of skills needed to keep improving and, through practice, reaching a more complex level of fluency and confidence expanding the vocabulary.
