

REQUEST FOR EXCEPTION TO CURRENT DELIVERY MODE DUE TO PHYSICAL HARDSHIP

Mail delivery by the current method imposes an extreme physical hardship on the customer named below (DMM 155.262, 156.271). Advanced age, although a consideration, is **NOT** within itself a qualifying factor for hardship exception. If additional residents also reside at the address below they must also submit documentation of physical hardship, failure to submit additional residents may void the application and the prevailing mode of delivery will be reinstated.
