#### **At A Glance!**

Our teaching strategy and plans move around a periodic evaluation and monitoring by well qualified professional and trained Spanish teachers. Our goal is to make you enable to achieve yours. These are 4 modes of learning Spanish we do cover all these aspects while conducting our classes.

- ❖ Reading
- ❖ Speaking
- ❖ Listening
- ❖ Writing

All modes mentioned above tend to make you professional and confident. You paid each and every coin values for us; we expect our efforts to be valued in reverse. Of course we will be able to justify “input equals to output”. Please write or talk to us on contacts available.

#### **FLEXIBLE PAYMENT FACILITY:**

Payment of the course purchased can be made in full or part using any mode of payment.

- a. If paid in full: You may get cash back or add-ons for free after making the payment.
- b. If paid in part: I. First 50% payment will be made before the course starts.  
II. Second 50% payment will be paid after completing 30% of the course.

#### **REFUND POLICES:**

You may drop-out the in case you are not willing to continue the course you purchased. The amount will be returned to your source account after deducting INR 500/hour.
