

MIKE BARBIERE

Electronic Press Kit (EPK)

Artist Overview

Mike Barbieri is an independent alternative artist known for straddling both the original-music soundscape, and the immersive tribute scene. Having released a full-length solo album in 2025, Mike is currently pioneering a musical career path that is divided between promotion of his singer-songwriter material, and paying homage to the classic grunge and alternative music that has been so influential to his style. He's also involved in the ongoing, regular production of live music events in the tri-state area.
