

# THE CENTRAL ALBERTA CRIME PREVENTION CENTRE

2025

Touch  
-A-  
Truck

## ANNUAL REPORT

14 years  
of impact  
in Central  
Alberta

*The CACPC leads and operates a unique Crime Prevention Hub, guided by our active volunteer Board of Central Alberta community members.*

*As a non-profit, registered charity, our organization works with residents to promote proactive crime prevention. In partnership with other agencies, law enforcement, and volunteers, CACPC staff assist individuals who may be impacted by or are targets of property crime, fraud, or scams.*

*CACPC implements programs and services that include educational opportunities and crime reduction initiatives.*

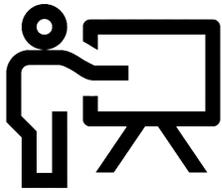

*We use a diverse funding model that includes grants, sponsorships and donations, fundraising events, and fees for service such as CPTED reviews and assessments, CPTED training courses, and the sale of crime prevention products, including graffiti removal supplies, personal alarms, bike shields, and microdot property kits.*

### Crime Prevention Hub Partner Organizations
