

# Technical Data Sheet

HPE Aruba 200/300 to 500/600/700 Series Adaptor  
SKU: MQ-A35-ADAPT

Designed to enable a seamless in situ replacement installation of access points, the HPE Aruba 200/300 to 500/600/700 Series Adaptor by MarQuest is the perfect solution to your wireless infrastructure refresh.

The adaptor simplifies transitions between access points without costly rework or additional ceiling infrastructure by allowing reuse of existing ceiling mounts for cost efficiency and sustainability.

Its quick and easy tool-less snap-in design reduces installation time, offering a secure and reliable adaptor to mount your access points to.

Maintaining a discreet profile behind the access point for clean aesthetics, the adaptor is suitable for restructure projects in a variety of environments and sectors.

Compatible with existing HPE Aruba 200/300/500/600/700 Series Access Points.
