Dear parent/carer,

Re: End of club trip to Conkers details

We are excited to share details of our upcoming end-of-club trip to Conkers Adventure Park – a full day of adventure designed to celebrate the end of the Easter holidays and give the children a truly memorable experience before returning to school.

As both educators and organisers, we believe that trips like these play an essential role in a child's development. UK research has consistently shown that group outings enhance social skills, encourage teamwork, and build confidence and resilience – all while having fun!

Following the success of previous trips to Twinlakes Park and Twycross Zoo, we've seen first-hand the joy, pride and sense of achievement these days bring. Our trip to Conkers promises to be just as exciting, with a wide range of attractions, opportunities for exploration, and tailored activities for different age groups.

Children will have the freedom to explore the interactive exhibits, play in the Enchanted Forest, tackle the Treetop Walk, take on the Barefoot Trail, and ride the Conkerchoo Train. The day also includes fantastic ranger-led sessions, such as the Mud Monsters adventure for younger children, and an Orienteering Quest and High Ropes Course for older children – providing physical challenges, teamwork opportunities, and a huge confidence boost.

The trip will take place on Friday, 25th April 2025, and will run from 9:00am to 5:30pm, with full supervision and childcare included throughout the day.

The cost of the trip is £38.50 per child, which covers coach travel, park admission, and all ranger-led activities. We've worked hard to keep costs as low as possible, with the fee covering essential costs only.

Your child's safety is always our top priority. Ahead of the trip, we will complete a full risk assessment and pre-site visit to ensure all realistic safety measures are in place.

Bookings are now open on iPAL and spaces are limited.
