

Do you want to succeed? We are the answer.

simply psych,

Simply Psych: Practice rounds for direct pay psychiatrists.

BAHS Group: Helping you be the boss of your business and life again.

Simply Psych Capitated, Full-Service Support

- **Flat monthly fee:** (capitated model) with predictable costs
- **Full service coverage:** intake, scheduling, billing, reporting, compliance, and daily patient support
- **Dedicated team model:** experienced directors who bring a decade of care to rounding
- **Strategic growth planning** for expanding practices and multi-clinician needs
- **Long-term stability** with consistent systems and staff integration

Pricing: Starts at \$2,000/month for single-physician coverage, scaling with practice size and complexity

simply psych,

Dr. Brian Dixon guides this innovative model, best for multi-physician practices ready for long-term growth; adaptable to any size practice.

Stas Taylor, MBA, LCSW-S guides a fractional, flexible support model best for solo practitioners seeking affordable, sustainable, adaptable growth.

BAHS Group Fractional, Flexible Support

- **Hourly pricing** (fractional model) with no long-term lock-in
- **Customizable tasks:** Intakes, scheduling, billing, invoicing, prior authorizations, documentation management, patient communications, and more.
- **One-on-one virtual assistant model** for direct, personalized support
- **Flexible engagement** — ramp up or scale back as your needs change
- **Designed for affordability** while still reducing overwhelm and admin burden

Pricing: \$50/hour, with a minimum of 1 hour per business day (three 20-minute check-ins)
