PROFESSIONAL EXPERIENCE

Intern UI/UX Designer | Techbit Design Studio, India

Oct 2021 - Mar 2022

- Designed visually appealing and optimizing websites for clients, increasing web traffic and conversions by 5% through improved UI/UX design.
- Participated in cross-functional team meetings to provide valuable input from a UI/UX perspective, fostering collaboration and innovation among team members.
- Evaluated competitor products and identified areas of opportunity to differentiate our own offerings, leading to innovative ideas and improvements in overall user experience.

ACADEMIC PROJECTS

Tic Tac Toe Game (HTML, CSS, JavaScript) -

- Developed a fully functional Tic Tac Toe game with interactive UI using HTML, CSS, and JavaScript.
- Implemented game logic to handle win, loss, and draw conditions dynamically.
- Utilized DOM manipulation and event handling for responsive user interactions.
- Strengthened understanding of JavaScript logic building, conditional statements, and UI responsiveness.

Rock Paper & Scissors (HTML, CSS, JavaScript)

- Created a fun and engaging browser game where players compete against the computer.
- Programmed computer decision-making using random number generation.
- Built the result evaluation system to display outcomes instantly (win, lose, draw).

Amazon Clone website (HTML, CSS)

- Recreated the UI of Amazon's e-commerce platform using only HTML and CSS.
- Built responsive layouts including homepage, product listings, and navigation menus.
- Practiced flexbox, grid, and styling techniques to achieve pixel-perfect design.
