BIO

From the heart of Sonoma County, Mae D'Lovely has emerged as the plus-sized queen of beautiful contrast. Using confidence as her ultimate accessory, but never shying away from props, she masterfully channels the golden age glamour of a classic pin-up, with a thrilling, rebellious energy just underneath the surface.

This curvy self-love siren effortlessly transitions from golden age elegance of Classic Burlesque to the dramatic fire of Metalesque to the camp of Cosplay and Geeklesque.

No matter the theme, Mae is ready to tantalize and tease with a wink and a shimmy. She is a radiant force in her local dance scene, where she inspires her audiences to embrace every facet of themselves, from the light to the dark.

Get ready to fall in love with Mae D'Lovely, a Sonoma County gem with an irresistible charm and one hell of a soundtrack.
