

## CAPPER – SS HEAVY DUTY EKTA

Stainless Steel Heavy Duty Ekta Capper specially designed for accurate and secure fitting of plastic caps on bottles. Equipped with magnetic torque system, this capper ensures uniform tightening, preventing cap damage and avoiding leakage. Ideal for beverage, water and liquid packaging applications.

### Key Features:

- Full Stainless Steel (SS) body for durability and hygiene
- Heavy-duty construction for continuous operation
- Magnetic torque mechanism for precise cap tightening
- Ensures leak-proof sealing and uniform cap fitment
- Prevents over-tightening and cap damage
- Smooth and stable performance
- Easy to operate and low maintenance
- Suitable for plastic caps on various bottle sizes
- Ideal for beverage, water and liquid bottling units

### Applications:

Soft drink plants, water bottling units, juice & beverage industries and general liquid packaging applications.
