

## FLAVOR MIXING TANK – SS (HEAVY DUTY)

Flavor Mixing Tank SS is a full stainless steel, heavy-duty mixing solution designed for efficient and uniform mixing of flavours, syrups and liquid formulations. Equipped with a motorized stirrer agitator and imported oil-free gearbox, this tank ensures smooth, consistent and homogeneous mixing without contamination. Ideal for beverage, juice and food processing industries.

### Technical Specifications:

- Mixing Capacity: Up to 500 Litres
- Construction: Full SS Heavy Duty Body
- Stirrer Type: Motorized Agitator System
- Gearbox: Imported Oil-Free Gearbox

### Key Features:

- Uniform & Homogeneous Mixing of flavours, syrups and formulations
- Heavy Duty SS Construction for hygienic and long-lasting operation
- Imported Oil-Free Gearbox prevents oil contamination and ensures smooth torque
- Powerful Motorized Stirrer for efficient mixing of viscous liquids
- Low Noise & Low Maintenance Operation
- GMP-Oriented Design suitable for food & beverage applications
