More than a closet

Modern closets range from spacious walk-ins to smart space-savers, each contributing to the narrative of the home.

Décor+ grew from the idea to combine the ingenuity of a made to measure Elfa system with solid wooden shelves and drawers. The result is a modern and functional system with a clean, calm look.

With Décor+ you have the possibility to adapt the closet in detail to fit all your needs.

Play with a variety of finishes to get a unique look, combine the solution with sliding doors if you wish or build it as a show-off solution open on the wall.

Keep it simple by just adding shelves and drawers or go all in and add unique functionalities that pamper your garments.

Feel confident knowing you're investing in lasting quality that serves you and future generations to come. High quality and great functionality are two of the things that Elfa values most.

Your dream closet is no longer a dream.

Walk-in closet – A space where function meets style

Many dream of a larger closet and a space where clothes get the space they need instead of being squeezed in. A walk-in closet is a combination where function meets aesthetics and a space to unwind. Décor+ offers a lot of functions that take care of your garments in the correct way, but the system also offer displays shelves, lighting and a mirror to make the space into a cosy hangout. .

A corner for makeup and accessories.

Various models of shoe storage.

Solid drawers with full extension and soft-close.

Sliding doors protect your clothes from dust and sunlight when needed.

Integrated LED-lighting for a cosy feeling.

Shared closet space

The flexibility of the Décor+ series allows you to adapt the solution according to your needs.

It is easy to adjust and to find features that serves specific garments such as pants, ties, shoes and of course the hanging and folded clothes.

Maximize your shared closet space by splitting it in half! This way, each person can personalize their side with unique functions to fit their unique style and needs.

His side

Her side

Luxurious step-in closet

By adding some extra depth, you'll create a luxurious step-in closet. It's not just about clothing storage; it's a cosy spot for trying on outfits and putting on make-up. Think of it as a stylish extension of your reach-in closet. By adding glass doors, you'll feel like you're stepping into a walk-in closet. It's an easy upgrade that adds a touch of luxury to your daily routine.

Put your style on display

Add an extra level to your closet space by displaying your favourite pieces hanging or lying on top of a shelf. This way your closet becomes more than just storage and it is easier to see your favourites. Décor+ offer several functions that makes it easy to display your clothes and make the closet personal without losing too much space.

A stylish hallway

The hallway is the heart of the home and we pass it every time we enter or leave. It is also a space where a lot of stuff needs to interact. By using all the walls in a hallway in a space efficient way you can make the hallway feel both practical and welcoming. Déor+ is made to be used both as closed and open storage. Hide the clutter and expose the things you want to display.

Adapt your hallway according to your routines and make space for packages that need to be returned and for the bag that always follow you to the gym.

If you are a family with kids, give dedicated space to each member to cut the stress level in the mornings.

By adding a sideboard with integrated drawers you can store outerwear and at the same time use the top shelf for a welcoming bouquet, lamp and other favourites.

A sideboard not only creates space but also becomes an attractive interior detail

An integrated mirror creates space.

Create a cohesive solution with decorative panels between the standards. Available in white and grey.

The hallway is full of small items. Give them a dedicated place for better organization.

Choose from various shoe storage depending on the type of shoes you have.

10-year warranty

The daily use of your Elfa storage solution requires both craftsmanship and materials of the highest quality, in order for the products to last a lifetime. Elfa provides a 10-year warranty. It covers material defects during normal use in a home environment, as well as possible malfunctions of moving parts such as wheels and soft closing, as well as furnishings with a retractable function.

Designed in Sweden

Our storage solutions are designed in Sweden, where they are also mainly produced.

Thoroughly tested

We always make sure to thoroughly test all products in our own production facilities, so you can feel confident that your storage solution lives up to its promises.

Space for everything that's you
