

VILLA RITA~CYPRUS

For convenience, directions are given from Larnaca Airport.

1. Leave Larnaca Airport and head for the A3 (Motorway) eastwards.

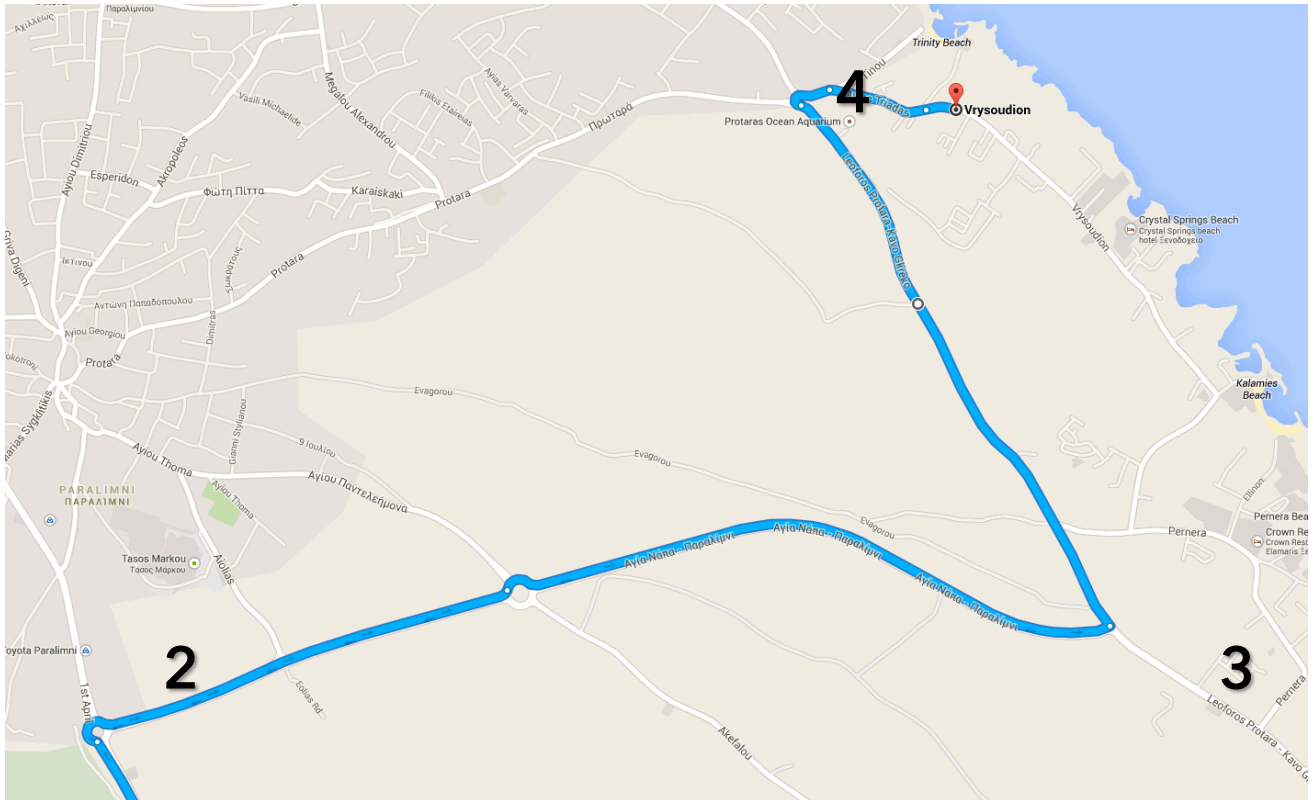

2. At the very end of the A3 motorway (SEE MARKER 1, below), take the left slip road towards PARALIMNI/PROTARAS. Then, at the SECOND roundabout (the first is a no right turn anyway), turn RIGHT (MARKER 2). Follow this road, straight across another roundabout, until you reach a T-junction (MARKER 3).

3. Turn left onto this road. Follow this road all the way down to a roundabout (MARKER 4). PARALIMNI is left, KAPPARIS straight ahead. Turn RIGHT towards AYIA TRIADA (the 3rd exit)

4. Follow this smaller road around BEARING RIGHT ALL THE WAY.

5. Drive slowly, looking out for a row of tall palm trees on the road to your left. As soon as you see these, look immediately opposite – this is the turning for the villa. The road is a horseshoe shape, so if you take the first right turn, you'll end up coming back to the other exit and near the house.

The house is the SECOND one in on the left from the main street...number 20.
