BRIEF HISTORY

Massive Strides Investments (Pvt) Ltd - (MSI) was incorporated in May 2018 carrying over the business of Le-Mun Import & Export (Pvt) Ltd a well-established company, whose mandate was to provide services ranging from the supply of Office Stationery and Information and Communications services of hardware, software, accessories and consumables to government ministries and various institutions within the country for the period 1998 to 2017.

The business, because of growth, saw the need to diversify activities, hence adopting a new name Massive Strides Investments (Private) Limited. More-so, the company executives thought it wise the name change would bring a lot of vitality to the company with a new vision and mission.

Under the old name and over 20 years, the company enjoyed good business but provided limited services and to a limited number of clients. The company, through research, saw a great demand for various services on the market. As aforementioned, with growth and development indicators inevitable, there was therefore a need to diversify to establish a ONE-STOP-SHOP providing various services under one roof, hence the launching of Massive Strides Investments (Private) Limited – (MSI).
