WHO ARE WE?

Our Project and Our Bachelor

OUR PROJECT – LOVE GAL'ORE

Love Gal'ore is a candidate team for the Student Organisation (L`ORE) of the Bachelor's Program at École Polytechnique. If elected, we will have the honor of officially representing the entire student body. We are a team of ten passionate and dedicated members, committed to sustaining dynamic student life on campus.

Our name, Love Gal'ore, reflects our desire to share love in abundance, in all its forms. It also aligns with the tradition of the Bachelor's program of incorporating "l`ore", symbol of our community's heritage.

As part of our campaign, we will organize a week full of events and entertainment, both intellectual and sporting, from April 28 to May 2, to demonstrate our commitment and determination to uphold the values of our program and its student body.

WHO ARE WE?

Our Project and Our Bachelor

OUR PROGRAM – THE BACHELOR OF ÉCOLE POLYTECHNIQUE

The Bachelor's Program at École Polytechnique is a selective, unique, and international program. Taught entirely in English, it spans three years and allows students to specialize in mathematics, physics, computer science, and economics.

Thanks to its international approach, the program currently brings together more than **500 students** from around the world, all **housed in the same building**. This environment fosters the creation of a dynamic, diverse, and close-knit community, encouraging interaction and academic growth within École Polytechnique, one of France's most prestigious higher education institutions, renowned for its excellence in science and engineering.

OUR PARTNERSHIP STRATEGY

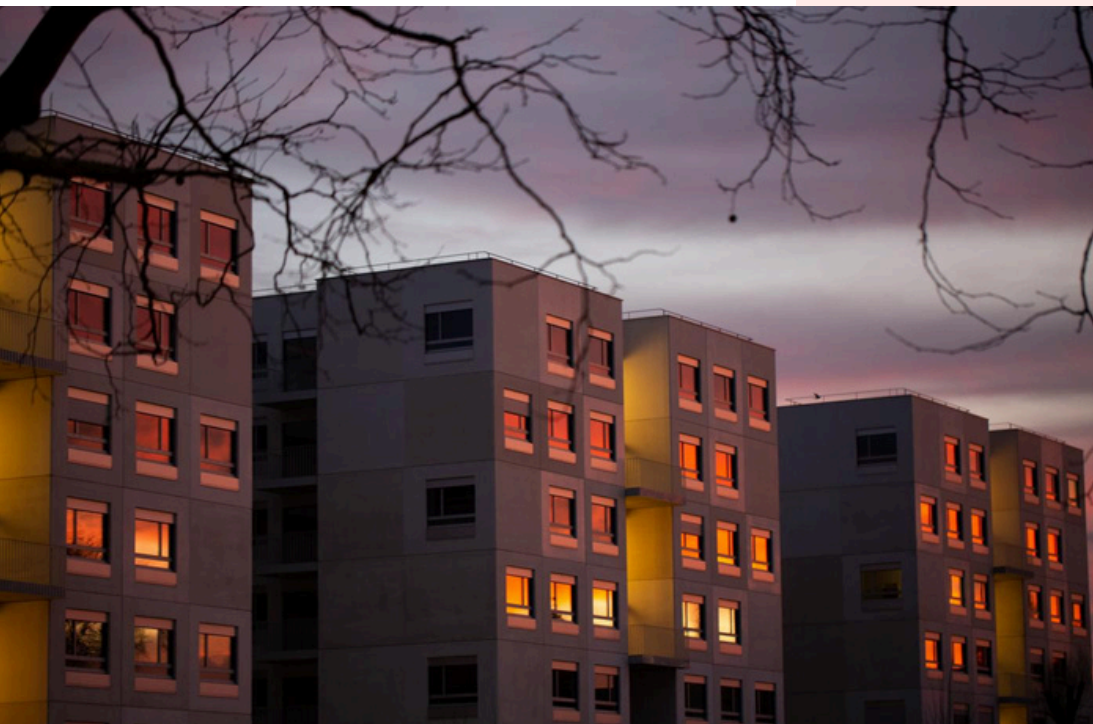

As part of the financing for our campaign, we are seeking support from external sponsors to help us organize a week of impactful events.

This support can take various forms:

- In-kind contributions, such as donations of your services or products
- Financial support to help us bring our projects to life

All transactions or product donations will be carried out in an official framework. We will provide all the necessary legal documents to ensure complete transparency in these exchanges.

We invite you to contact us so that together we can define the terms of a partnership tailored to your company.

WHAT ARE WE OFFERING?

Seeking a Win-Win Partnership

LET`S SHOWCASE YOUR BUSINESS TOGETHER

During our campaign week, we will highlight your services or products and provide enhanced visibility on campus. Your company will be featured across all our communication channels, including our website and Instagram account. We will also promote your brand through posters in our building and banners displayed at our events, which bring together the entire Bachelor student community. This will give your brand direct exposure to a dynamic, engaged, and international audience.

AND IF WE WIN?

In the event of an electoral victory, we offer you the opportunity to establish an official partnership for the entire term of Love Gal'ore.

This collaboration will provide you with several key benefits:

- Continuous and enhanced visibility on our campus through various promotional channels.
- The organization of innovative projects and exclusive perks to showcase your services to our community.
- Exclusive access to a pool of talented students from one of France's most selective programs, including winners of international science competitions. This opens doors to networking events and potential collaborations.

By supporting us, you are not just funding a campaign—you are investing in a strategic partnership with the future leaders of industry and research.
