

We always take your privacy and security matters seriously. Our website uses industry standard SSL

encryption throughout. All areas of our business comply with UK Data Protection Act 1998 and EU GDPR

2018 legislation. We do not participate in the disclosure or resale of customer data. No invasive tracking or targeted advertising happens on this website. We only engage in the collection of data essential to facilitate in providing products or services to you in a safe and efficient manner. We are committed to ensuring that your privacy is protected. Any information you provide while using this website will only be used in accordance with this privacy policy. We may review and change this policy in the future and will update this page accordingly. This policy is effective from (12/06/2025).

We collect some or all of the following information:

Your name

Email address

Telephone number (optional)

Other relevant information in response to your requests and processing your booking or general enquiry.

This information is used to understand your needs and requirements to provide you with the best possible service and holiday experience with specific reasons:

Booking and administrative record keeping.

Marketing promotion - from time to time we send promotional emails or other information we think you will find of interest. You always have the option to unsubscribe from further correspondence.

Market research - we may use your information to contact you for feedback about your holiday experience. We will only contact you by email and you will always have the option to unsubscribe from

Privacy Policy

This privacy policy sets out how we use and protect the personal information you supply when you use our website - and when making a booking or general enquiry.

The information we collect when you make a booking or general enquiry

How we use this information

further correspondence.

We are committed to ensuring that your personal information is secure. We have put in place management procedures and both physical and electronic security measures to safeguard your details and comply with

General Data Protection Regulations 2018.

We will never pass on your personal information to third parties unless we have your permission, or are required by law to do so.

As an option, we use 3rd party booking providers in connection with bookings. This means your personal information will

be held on record with them. We have a written agreement with 3rd party providers about how it protects your personal information. They have their own Privacy Policy on their website that can be viewed [here](#).

In order to stay with us you need to be a member of the Greener Camping Club. We may enrol you at the point of booking, or you may already be a member. We have a written agreement with the Club about how your information may be used. Please see [here](#) for more information. The Greener Camping Club only records your name and email address.

Like most other websites, our website uses small tracking cookies and other services to enhance your browsing experience - and to help you use our website. You can learn more about tracking cookies [here](#).

You are free to opt-in or opt-out of non essential tracking cookies, however you may encounter a downgrade in website functionality if you choose to opt out. Cookies do not give us access to your electronic device or any other information about you.

Our website has links to external websites that we think maybe of interest to you. However we can not be held responsible for the content of those websites or for any personal information you provide whilst visiting these websites.

Under the Data Protection Act 1998, you may request details of personal information we hold about you. If

you would like a copy of the information we have, please write to us at this address:
